

We have been gratified at the favourable comments we have received for plans for the Newsletter. The real test is going to come when the letter is delivered and we get firm orders to cover this letter and the next five.

We would again ask for items of news and general interest to be included in future editions and remind readers that contributions should be received by the 21st of each month.

This month we thought some insights into the aims and activities of the Social Circle would be of interest.

The Soulbury Social Circle is not just a club for lively pensioners, we welcome anyone in the village of 'mature years' to join us. The meetings are held on the second Wednesday of the month. The money raised throughout the year by the Social Circle, plus Bingo in the winter months, covers the cost of all outings for the members who are holders of pension books. We have this year visited Stoke Bruerne Waterways Museum and Windsor. Members were taken on a country ride followed by tea at Steeple Claydon at the home of Mr. and Mrs. Hillyard. We have also been entertained for tea at the homes of Mr. and Mrs. P Broad and Dr. and Mrs. Lloyd-Hart.

We are holding a bazaar on November 8th; the money we hope to raise at this event will go towards the Christmas Party, which is held each year in the Clubroom. All contributions for the stalls, Produce, Gifts, Bric-a-brac, etc., will be received by Mrs. M. Jones at Lovett House, Chapel Hill, Soulbury.

The final figure for the Cheese and Wine evening was £100, which will go towards the Christmas Parcels for the Senior Citizens.

It is a pleasure to welcome Miss Carol Ewers back to the village. Carol has recently returned from Canada and expects to be in Soulbury until the New Year.

It is with regret we record the death of Mr. A. Aitken who, for many years, lived at The Forge. He was the oldest member of the Social Circle and was a popular and respected figure in the village, who will be greatly missed.
