

Burglaries in Soulbury

Some of our readers may know that there have been burglaries in this village recently. It is easy to think "it won't happen to me" but clearly it can. We do urge all readers to take seriously the warnings repeatedly put out by the Police on television and elsewhere and to give burglars no help. We also urge readers to be vigilant on behalf of their neighbours and to make a note of vehicle numbers if they observe anything suspicious and to report it to the Police; they would far rather have half a dozen reports of suspicions that prove groundless than miss the one important piece of information.
