Litter Clear-Up

On Saturday April 17th everyone is invited to assist in tidying the village, and clearing the verges, the green, and the roadside of the litter that thoughtless folk have deposited over the last six months. With the grass quite short the rubbish is very visible and spoils our village. The green has been beautifully cut and is looking very attractive, let us try to tidy the approaches to the village as well. Boots and gloves are often necessary, bags will be provided. Meet at The Stone at 10:00 am and afterwards compare notes and meet all the other helpers in The Boot from 11:30 am.

Horse Riding

As we have mentioned every effort is being made to keep the Green looking attractive and neat, and it would be appreciated if riders did not use the ditch as a jumping area. It would seem sensible if horses did not follow the footpaths that walkers use but walked carefully on the verges. This applies to the path from Brook Cottages up to Leighton Road as well.
