

BUCKINGHAMSHIRE COUNTY COUNCIL SOCIAL SERVICES

We have been asked to encourage users of Buckinghamshire Social Services to comment, compliment, complain or make suggestions about the service. They want help to make improvements, making sure care in the community is there for the people who need it. For the first time, people needing care will have a big say in deciding which services will suit them best and who they would like to provide them. To achieve this the Department has been restructured. The views of customers are being sought to help to raise standards and review procedures. If anyone would like a leaflet "Hearing the Customer's View" or more information, or would like to comment, please telephone Aylesbury (0296) 382935.

THE PIG ROAST

The pig roast at Stapleford Mill last month was very successful. Approximately £500 was raised and shared between All Saints Church and the Clubroom Building Fund.

We know that the whole village joins us in extending our deepest sympathy to Pam and Ken Norman on the tragic death of their son Mark. So many of us watched Mark grow from a bright, intelligent and delightful small boy into a fine young man who, after gaining a B. Tech in Electrical Engineering, was making a great success in his chosen career. Mark was always popular with his peers and was liked and respected by all those who came into contact with him. His untimely death seems even more cruel so soon after the happiness of the wedding of his sister Jayne to whom we also offer our sympathy.

We are also sorry to report the death of Mr. Ferdie Szostek who as Farm Manager lived many years at Chelmscote with his wife Edith. Although spending his last years in Linslade, Ferdie always regarded Soulbury as his home. We extend our sympathy to his family.

We are pleased to congratulate Deborah and Philip Walton on the birth of their second son Ike.
