Play Around the Parishes : Suitable for children between 1-11yrs. The next two dates for this are Wednesday 12th August (2pm-4:30pm) and Friday 21st August (10am-12:30pm) - this should hopefully be held in the park at the top of Mount Pleasant, or the Clubroom if wet!

Free Mobile Skatepark : Suitable for children between 8-16yrs. AVDC have planned three dates for this at the Stewkley Recreation Ground. 3rd, 19th & 24th August between 12pm-4pm. Staff will be on hand to provide advice and guidance.

## CHURCH NEWS

While the Rev. Michelle Morton is still away, Holy Communion will be celebrated by the Rev. Peter Lymbery; Andrew Berry, Lesley Berry and Colin Smart will take turns to preach the sermon and lead the prayers and Andrew will play the organ as well. The congregation wishes to thank these kind people very much for their commitment to the continued running of church business through this difficult time.

The Benefice Service on Sunday August 30th at Aston Abbots at 10am will be a Chorale Matins, so we are expecting to hear some lovely singing. Do come along if you like music and if you need a lift, please phone Christine on 270377.

Weddings : On 18th July the wedding of Steve Mitchell and Helen Wrighton took place at All Saints'. It was a lovely occasion and everyone, family and friends wished the happy couple all good wishes and happiness in their new life together. Helen is the granddaughter of Mr Arthur Wrighton who lives in The Mead in Soulbury and she is related to the Kimble family, a well known local name. Hayley Minter and Fraser Chapman will be married on Friday July 31st in the church at 1pm and we wish them every happiness in their future together too. A little more about this event next month.

The Annual Prayers and Bears Service organised by the Mothers' Union in Stewkley is to take place at 12 noon in Stewkley church on Wednesday August 12th. Everyone is welcome, especially families, parents, grandparents and children. A short service with stories and hymns for under sevens takes place in the church (older brothers and sisters are welcome too). People are asked to bring TEDDY BEARS and a PICNIC - drinks and ice-creams are provided. The picnic will be inside the church if it's wet. For more information please phone Primrose Gallimore on 240302.

## SWINE FLU

As expected the number of people in the UK with swine flu, is now increasing significantly. However, the symptoms remain like a mild form of flu and for the majority of people who contract it, recovery is normally within a few days.

The Buckinghamshire Primary Care Trust (PCT) is taking the lead locally. AVDC, together with other agencies such as the County Council and the police, is working closely with the PCT to support the already well developed plans for managing the flu outbreak in the coming months.

If you have flu like symptoms (the typical symptoms are sudden fever, and sudden cough), this is what you should do:

- Stay at home, to limit contact with others, and check your symptoms by calling NHS Direct on 0845 4647 or visit [www.nhsdirect.nhs.uk](http://www.nhsdirect.nhs.uk)

- Once symptoms are checked with NHS Direct you will be given advice on the next steps to take if you are diagnosed with the virus.

For further information on swine flu you can also ring the Swine Flu Information line on 0800 1 513 513.

## AVDC NEWS FROM NEIL BLAKE

I am delighted to report that, at the Annual Council meeting of AVDC, my wife, Janet, was elected Chairman of the Council. Janet represents Stewkley Ward and, although only having been a member for just over three years, she has introduced a flair and passion that is vital in order to promote The Vale as a better place in which to live and work. I may be slightly biased, but I'm certain that she will be an excellent ambassador for the Council in this very important position. Janet's two charities for this year are the British Red Cross and Hearing Dogs for Deaf People. The first fund-raising event will be on 19th September which will be a barn dance at Rectory Farm, Great Brickhill – courtesy of Michael & Julia Turner. Phone 261288 for more information.

Just to make sure that the Blakes' diaries are kept absolutely full, I have accepted the Cabinet post of portfolio holder for Resources.

## HEALTH PROFILE

A recently published health profile for each area of the country shows that the health of people in Aylesbury Vale is generally better than the England average. Life expectancy in males is above average and both the rate of early death from heart disease and stroke and of hospital stays due to alcohol related harm are below average. Over the last ten years, death rates from all causes combined, and early deaths from heart disease and stroke and from cancers, have decreased and are lower than the England averages.

The percentages of children classified as obese and of children undertaking recommended levels of physical activity in schools are better than the England averages.

Only 1 in 8 adults are estimated to take the recommended amount of physical activity. Although the death rate from smoking is lower than average, smoking accounts for over 200 deaths per year.

The Millennium Green Trust would like to thank the Parish Council for their very kind donation of a mahogany bench, soon to be installed on the Green, near the fence on the right, in the orchard, close to where Jane used to live. There will be a plaque on the bench engraved with the words "Jane 10.06.1954 - 10.12.2008. To remember Jane Phillpot who worked so hard for the village and helped create this beautiful Green." Many thanks to those who have organised this, especially Councillor Mr Maurice Cross.
