

We have been asked to say how much it is appreciated that we now have a pavement through the lower half of the village. Since we have been unsuccessful so far in reducing the number of heavy lorries using the Soulbury route it is good that local pedestrians can now walk in safety. It would be even better were the pavements throughout the village kept clean and dogs not allowed to foul paths which are provided at ratepayers' expense for the benefit of human residents.

Concessionary Fares.

Aylesbury Vale District Council have agreed that people in Soulbury who paid for bus passes in 1984 are entitled to a refund for the period from the 20th August when the bus service was so drastically reduced.

Applications must be made individually giving full details and returning the pass. In order to avoid the expense of postage on each letter, Mrs. Jones has agreed to forward applications in one collective envelope; please hand in your letters and passes to her either at Social Circle on Wednesday 9th January or at Charity Farm as soon after that date as possible.

We are sorry to learn of the death of Mr. Anderson, Senior, on Sunday 30th December. Mr. Anderson came from Eastbourne last summer to live with his son and daughter-in-law, to whom we extend our sympathy.

We also learned with regret of the death of Mrs. Constance Andrews, widow of Councillor Bill Andrews, at Stoke Hammond on the same date. Mrs. Andrews was an old Soulbury resident who will be remembered by many in the village.
