Questionaire

Each month we distribute 170 odd copies of the Newsletter. We have received 7 replies to the questionaire, 5 of which included items for insertion. We are naturally disappointed that we have not had a better response but perhaps we can take encouragement from the fact that we have had no adverse replies. It appears from these replies that people like the present format of the Newsletter. May we again remind readers that without items for inclusion the Newsletter will be uninteresting. However we have had some helpful suggestions which we shall mention in future issues.

Soulbury Families

Amongst suggested items for the Newsletter was to compile a history of Soulbury and Soulbury families. We shall be greatful if anyone can give us information on these topics.

Parish Council

The County Engineer has recently advised the Parish Council that it is hoped to carry out the proposed improvements at the A4146/C20 junction Three Locks, Soulbury, during the current financial year.
Also, proposed footway improvements in High Road, Soulbury, will be included in the current years programme.
Notice has also been received that the Highways sub-Committee feel they cannot agree to Soulbury's request for a restriction of lorry traffic passing through the village.

Soulbury Traffic

We feel it is appropriate to follow the above announcement with this letter we have received from Mr. Twyman.

" You will have read in the local Press of the attempts to reduce Soulbury's traffic flow by banning certain heavy vehicles now using our roads to bypass Linslade. Many of us are horrified at the thought of waiting 10 years or more for relief from this menace - which is what the latest report indicates.

If you feel that life in Soulbury would be better with less traffic on our roads, don't leave it to your neighbour - do something possitive now!

Find out how you can help from P. J. Twyman, Bury Cottage, 'phone 204."
