

Rubbish Skip. The long awaited Council Rubbish Skip arrived mid-morning on Friday 20th June, and within a couple of hours was full to overflowing, which meant that people out at work all day had no chance whatsoever of disposing of anything they had hoped to put in the skip.

We wonder whether the Parish Council can make representations to the District Council suggesting that they should provide a much larger skip, or one at each of two positions in the village, or to make provision for a skip far more frequently than twice a year. It is obvious that the skip provided on the 20th was totally inadequate to the needs of the village.

Village Walks. Two walks have been undertaken so far, both on a Friday evening, each one being of about 4 miles, using footpaths which loop around the village. About a dozen or so people, some with dogs, some with children, have very much enjoyed themselves each time, and the plan is to do a longer walk over to Rushmere next, on Sunday July 6th, meeting at 10.00 a.m. outside Charity Farm. Please do come along.

China Party. Barbara Maudlin would like to say "thank you" to everyone who supported the China Party/Coffee evening, held at her home. £47 was raised for the Church.

Sport Aid. The seven ladies who energetically completed the Aerobic workout for Sport Aid in the Clubroom on Sunday 25th May, are pleased to announce that they raised just under £150 for Africa.

Church Fete. Don't forget the Church Fete on July 5th, with all the usual attractions. It will be opened at 2.30 p.m. by Mrs. Yvonne Dallaway and the P.C.C. hope it will be even more successful than last year.

News of Old Friends. We were pleased to have a visit last month from Richard Lack who was over here on holiday with his wife and two daughters. He tells us that his mother Mrs. Olive Lack, who used to live on Chapel Hill, had a rather bad time of it last year with hip replacement operations but is now much better and enjoying greater mobility. After the death of Ted Lack she moved house and is now living only about ten minutes away from Richard and his family.

If any Women's Fellowship member will not be present at the picnic this month but hopes to be at the Barbecue in August, will they please contact Mrs. Bunyan (461) or Mrs. Norman(483) as soon as possible to ascertain what their contribution will be to the barbecue evening.

The Boot. We understand that by the time this Newsletter is delivered The Boot will have re-opened after extensive alterations. We welcome Rose and Harry Saint and wish them every success in their new venture.

We are sorry to learn that Mr. John Clark is not feeling too well at the moment. We do hope that the treatment he is receiving will soon be effective.
