

CHURCH FETE - JULY 18TH - 2.30p.m.

The Church fete this year will be opened by the new Lay Preacher in the Diocese, John Hibbard and his wife Judy. We would like to make an appeal for books for the bookstall at the fete. If anyone has any old books they feel they would like to donate, Miss. D. Booth (Soulbury 322) would be pleased to receive them.

ADULT LEARNING OPPORTUNITIES - WING

A varied programme of learning opportunities for adults will, as usual, be offered in the Wing Area starting in September. These will include not only evening and daytime classes at Wing Secondary School but also classes in some of the smaller villages. This year there will be just one brochure containing details of all the courses being offered in Aylesbury Vale, and this brochure can be obtained from village libraries, post offices or by telephoning 0296-688632.

Mrs. Margaret Bunyan would like to take this opportunity to thank all her friends, who so kindly sent her get well cards, flowers and gifts during her recent stay in Stoke Mandeville Hospital after her accident. She is now home and making a good recovery. A special thankyou to Mr. & Mrs. B. Conquest and Mr. John Winsor who helped her at the time of her fall.

P.C. Rae has handed us the following for inclusion in this month's newsletter :-

" 'Ello my little parishioners, it is I LeClare, now listen carefully I will say this only once.

By the time you read this the Soulbury Neighbourhood Watch should be up and running. After a well attended meeting on 27th May in the clubroom, and after a talk on the Neighbourhood Watch and Crime Prevention six people came forward to act as Co-ordinators. Mind you, I did have to mention the Fixed Penalty tickets for minor vehicle

defects, parking etc., but I would like to think that did not influence the volunteers. At the time of writing this there are four schemes working in Soulbury, and hopefully by the time this goes to print there will be another two operating. This would give Soulbury a nearly complete coverage. The next step would be to organise a Co-ordinators Meeting, despite this being purely for the Co-ords I would like members of the schemes to attend as well, that way I can explain exactly what I would like back from the schemes as well as an input from the schemes. I am a great believer in Neighbourhood Watch and will give as much assistance as possible to Co-ords and schemes in any ventures they want. However it is something the Community must want. By the way there are two insurance companies giving a 5% discount on home contents insurance to bona fida members of schemes. What are these companies..... join a scheme and find out.

If you are unsure of who your co-ordinator is, or if you want to help start a scheme, then if you contact me through Aylesbury Police Station I will put you in touch with one or come round and help you set one up. We are looking for co-ordinators to set up schemes in the following:- Stewkley Road, and the upper half of the High Road.

bye for now
