

CAKE STALL

We are interested to see that Bucks County Council have issued a very informative series of papers on "Waste and Recycling in Buckinghamshire." The guide gives our waste collection Authority's telephone number, Aylesbury 395900, together with suggestions of what to do with old paint stripper, engine oil, old clothing, bric-a-brac, paper, metal, glass, plastic, and many other items. Their advice on cutting down the enormous amount of waste each household creates (about one tonne of rubbish every year!) is very sound.

1. Think about what you buy - is it over packaged ?
2. Look at what you throw away - can it be re-used at home or at school
3. Can someone else make use of your waste - charity shops and jumble sales can often make money from items you no longer want.
4. Only buy goods packaged in returnable containers if you intend to return them.
5. Use recycling facilities, but try not to make a special journey.
6. Help to create a demand by purchasing goods made from recycled materials.

If anyone would like more information, please contact Liz Miller, or the Clerk Mrs. P. Salzedo, on Leighton Buzzard 371126.

LOST ! !

Would the person who helped themselves to three bags of manure which Mrs. Audrey Kempster filled and left in the cricket field for her husband to collect, (she asked permission first) kindly like to use their own time in refilling three more bags and leave them where they found and took the others. Mrs. Kempster and her husband will then be able to collect them as was intended. Many thanks, Audrey Kempster.
