Bus Service

Since our comments in last month's Newsletter we learn that the village of Dagnall has achieved some slight improvement in their bus services, which had been cut quite as drastically as have Soulbury's. This is most encouraging news and we do urge Soulbury residents to persevere in their endeavour to get some alleviation of the present hardships being caused to our village.

Annual Parish Council Meeting

This annual exercise in local democracy will take place in the Clubroom on Tuesday 31st March at 8.00 pm, preceded by a Parish Council meeting at 7.30 pm. This is your opportunity to ask your elected representatives about all matters in the village which you think need their attention, and to encourage them by your presence to realise that the time and effort they give to village affairs is appreciated by those on whose behalf it is undertaken.
