

When the April Newsletter is delivered a payment of 15p. will be due to cover the cost of the next six issues.

Concessionary Travel.

It is again time to apply for Bus Permits or Railcards for women of 60 and over and men of 65 and over.

The choice is for either a Bus Permit costing £3 (£1.50 if issued after 1st October, 1984) which will entitle the holder to half-fare travel on buses on any day, for journeys commencing or terminating in Buckinghamshire, excluding the area of Milton Keynes, OR a Railcard (normal price £12) for a charge of 50p. only, which will entitle the holder to purchase Single Ordinary Return and Awayday railway tickets at half the Adult fare.

Permits may be obtained from the Council Offices at Aylesbury, Buckingham or Winslow, but once again Mrs. Jones is offering to collect Permits or Railcards for anyone who so desires. You may contact her at Charity Farm (Soulbury 349) or sign your name on the list at Social Circle, but please note that you must do so before Saturday, 24th March.

Parish Council Meeting.

Please note that the Parish Council Meeting on Monday, 5th March will commence at 7.30 p.m. instead of the more usual time. This is to enable the meeting, after discussion of normal parish matters, to be addressed by Mrs. H. Kirkwood on the subject of "Schemes for the Deaf."

Deafness is an invisible barrier cutting its sufferers off from the world around them. One in six of the total population has impaired hearing to some extent and one third of the population over the age of 65 has some sort of hearing loss. Schemes for the Deaf is attempting, through its Community Education Programme, to make life easier for deaf and hard-of-hearing people by explaining to hearing people how they can help. For instance, did you know that you should not stand with your back to a window when communicating with deaf people as the light coming from behind you will cast shadows on your face and make it impossible for them to lip-read?

We do urge as many people as possible to attend this meeting, but if you are unable to do so but would like further information about any aspect of communicating with deaf and hard-of-hearing people please contact

Schemes for the Deaf, 58 High Street, Aylesbury. Telephone, Aylesbury 31353.

We offer congratulations to Mary and Stephen Kittoe on the birth of their son, Peter Fabian Mark, on the 8th February.

It is with regret that we record the death of Mrs. Mabel Mead on the 7th February and of Mrs. Ivy Fernyhough on the 13th February. We extend our sympathy to Miss Elizabeth Mead and to Mr. Fernyhough who has himself been very ill.

We also have to record the death, at the tragically early age of 6½ years, of Claire Goodrum. We send our sincere condolences to her family.
