

It has been brought to our attention that several youngsters have been behaving in an extremely anti-social manner, particularly around the homes of elderly residents of the village. Could it be your child who is upsetting local inhabitants, and causing unnecessary distress to those who are most vulnerable? We need the support of as many people as possible to make our village a happy and pleasant place for everyone to live in.

Low Flying Aircraft

As you may have seen in the local newspaper, the Parish Council are very aware of this problem, and would like to eradicate it if possible. They would therefore like to know exact details of date, time and direction of military aircraft flying possibly at less than 250 feet. Please contact the Parish Clerk - Mrs. Salzedo, on Leighton Buzzard 371126.

Heavy Goods Vehicles

There appears to be an unacceptable increase in excessively heavy lorries disregarding the Soulbury weight limit. The Parish Council would like to be informed of the date and time of the incident and the registration number and any name on the vehicle. The accumulated evidence gained might help to alleviate the problem eventually. Please contact Mr. J. Edwards on Soulbury 221.

Refuse Collection

There have been a few complaints about litter left after the Dustmen have finished their collections. However we feel that generally these men do a good job in unpleasant conditions and the situation might be improved if those bags that have to be put out overnight were tied at the top. Leaving bags out overnight for animals to burst open, is the cause of most of the spillages.

Dog Fouling of Local Paths

We have been requested to ask dog owners to try to stop their dogs from fouling the churchyard footpath and graves, as this area is getting into a disgusting state.
