

SOULBURY CLUBROOM

At last improvements are to take place to the Clubroom. There will be an open evening on Monday 13th March to discuss the proposals. A building fund will be started, and it is hoped that those of us who use the Clubroom will come and bring ideas for fund raising. We need our Clubroom for many activities, and the time has come to make improvements so that we can continue to use it for many years to come. Please come and give your support to this venture.

MESSAGE FROM P.C. RAE:-

First of all we have managed to arrange a 'Protection of Women' lecture in Soulbury Village Hall at 8.00 p.m. on Thursday 16th March 1989. A successful meeting in Stewkley was attended by over 100 people, who found it to be a very

entertaining and informative lecture. The WPC who gave the lecture will also be giving it in Soulbury. An added attraction is that the local W.I. will be selling tea, coffee, etc. It is also hoped to mention actions you can take against the increasing reports of 'bogus Policemen'. There have been various reported cases in the Thames Valley area, luckily not in the immediate area of Soulbury, but none the less it is advisable to be prepared. So the night of the 16th March is not to be missed; it is open to everyone, male and female and not just Neighbourhood Watch schemes. A minimum age of 16 yrs. for youngsters, but I will leave it up to parental discretion for young girls just under that age. Secondly, the Nottingham 'Duster-Pushers' are back ! They appear to be using youngsters under 17 yrs., and also many of them now have bona fide certificates. If they have certificates then unfortunately there is nothing we can do, if they are under 17 yrs. then they definitely won't have certificates as you must be 17 or over to apply for a Pedlers Certificate. So if they arrive and try to push their luck as well as dusters, 'phone Aylesbury Police Station right away. That is it for now, hopefully I will see most of you at the meeting on 16th March; believe me it is worth attending, WPC Lee's little thoughts on the Protection of Women are excellent, it brought tears to my eyes on occasions !

STEWKLEY RIGHTS-OF-WAY WALK SATURDAY 4th MARCH

On 4th March there will be a walk to mark the 20th Anniversary of the short-listing of Cublington as a Third London Airport site. Meet at the Church, Stewkley at 2.15 p.m., or meet at Cublington Spinney at 2.40 p.m. to take the road to Littlecote. From Littlecote both parties will then follow the "Country Lanes Walk" through the site of the medieval village of Littlecote, to Littlecote Ford. The "County Lanes" section of the walk provides some excellent views of the countryside which might so easily have disappeared beneath concrete.

Jean Clark wishes to express her thanks to neighbours and friends for the lovely cards, flowers and plants received during her stay in hospital, and also on her return home.
