

**Responsible Dog Ownership**

Aylesbury Vale District Council is encouraging dog owners to be more aware of the problems that their dogs can create for other people living around them. A campaign has been launched in Aylesbury of 'Scoop the Poop' in several parks and we notice that Stockgrove Park also gives scoops away free. Other problems at this time of year can be caused by dogs roaming free in fields where there are sheep and lambs. Owners are reminded again to be responsible in this respect also.

From the Health Promotion Officer AVDC 84 Walton St, Aylesbury, Bucks, HP21 7QT information packs are available with details of suppliers of poop scoops, dog training classes and general canine care. Also available are activity folders for children.
