

The Clubroom. The Clubroom Committee would like to thank all those people who came to the first Bingo of this fund raising effort. The Committee, consisting of the same members since its formation in May 1972, has worked together with the sole aim of maintaining the Clubroom for all the various groups and activities in Soulbury. Where, for instance, would the strong protest meetings have been held? The Parish Council meet? And where could we have a polling station? The present work which has been carried out by the Manpower Services Commission, with all materials being supplied by the Committee, has cost over £1,000; this has been met without any charge to the ratepayers.

Bearing these facts in mind, we ask you please to support our future events, whether by coming to the events which are arranged, or by giving donations, prizes etc.

We are sorry to report that damage has already been done by local children. We feel that it is only right that if caught the children, or their parents, should be liable for the cost incurred.

There will be a £10 deposit for bookings for Discos or similar functions.

As a result of the redecorating there are several items for sale:

Electric wall heaters - £5 each.

New Timber 2" x 2" planed at 70p per metre (this is less than cost price) Please phone Soulbury 349.

The Parish Church of All Saints. The South Aisle of the church is out of use. The fabric of the church is inspected every five years by a qualified architect or surveyor; Mr. Paul Reynolds, ARICS, AIAS, has done this for us since 1968. As a result of his 1973 report the whole church was re-wired; in 1978 we tackled the re-tiling of the chancel roof. Now the gradually worsening state of the timbers of the south aisle roof must be faced for safety's sake. The cost of a full repair would be in five figures so the P.C.C. is looking for an interim solution that would be more feasible and allow us the use of the south aisle again on the (few) occasions when we need it badly. The P.C.C. wish to thank all donors and helpers who contributed to the £120 raised at the Sale for the Church Funds on October 15th.

Fish and Chip Supper. There are still some tickets left for the Fish and Chip Supper to be held in the Clubroom on Friday, 4th November. The supper which also includes apple pie and cream and a glass of wine is marvellous value at £2.50. Don't miss it!

Bonfire Night. With the approach of Guy Fawkes night may we remind all parents of the dangers of allowing children and young people to buy and light fireworks which should only be purchased by adults and ignited with proper regard to safety standards. Do not chance a lifetime's guilt for the maiming or worse of your own or someone else's child when a little care could prevent it.

We offer congratulations and best wishes for their future happiness to Michelle Swain and Nigel Gardner who were married on the 8th October.

We welcome to the village Pam and Keith Tolliday, Christopher, Katherine and Matthew, who have come to live in Dean Farm Lane.

Methodist Church.
