

Wing Secondary School: We have received a letter from Mr. Ivan Edwards, the new Headmaster of Wing County Secondary School and publish extracts from it.

" For those who are parents may I say that I see school as a partnership. It involves parents, pupils and teachers and unless the three work closely together then the pupils will not be able to develop their potential to the full. If at any time you have a child at the school can I ask you to keep in close contact with us? Parents often have worries about their child at school and I have found that in most cases the problems can be solved very quickly once we know about them. Please contact you child's form teacher, house leader or senior staff with your worries, complaints, child's interests so that we can help them gain in every way from their time at school.

Most of you may know that the County Council are very keen to encourage Adult Education. In the Wing area their representative is Dr. Alan Owen and he is based at the school. He already organises many courses in the school and the villages but would always be pleased to consider further developments. If you feel that you have an idea that you would like to be considered please contact him and he will be delighted to offer advice and help where possible.....

I would be very pleased to meet any of you to talk about ways in which the school and the community can work closely together.....I hope to hold a meeting during the Autumn inviting your view on various suggestions that have been made.....I would like to meet as many of you as possible and I hope that we can work together to develop even further the work we already do here".

From the Parish Council Meeting: Anyone who has applied to be included on the District Council Housing List may ask Parish or District councillors to support their application.

Any tenant who feels that their home is sub-standard should notify their District Councillor, Mr. Terry Holman. Alternatively any Parish Council Councillor will pass on the information.

Mobile Gymnasium: The councils of Soulbury, Wing, Stoke Hammond and Great Brickhill are looking for a site which could accommodate the Mobile Gymnasium which is about 50 feet long. If anyone can help will they please telephone the District Council Secretary on 0296-5900.

Breast Scanning Programme: A suitable site has now been found for the mobile van. Thanks are due to those who so kindly offered help for this scheme.

We offer congratulations to Ginny and Malcolm Skeels on the birth of their son, Chettle, on 4th October.

We are sorry to learn that Robert Hall is in hospital as a result of a football accident. We wish him a speedy recovery.

It is with regret that we learned of the death of Mr. Jim Rogers on 23rd October. Mr. Rogers came to Soulbury with his wife when Andrews Close was built some years ago, and has been a much respected figure in the village ever since. We send our condolences to Mrs. Rogers and the family.

WANTED: Extending childproof fireguard. Please contact Mrs. Maher, 17 The Green.
