

FIREWORKS

As the season for purchasing and playing with fireworks is upon us, may we ask our readers to be particularly conscious of those in the community who are worried by the noise and disturbance that fireworks cause. It is in fact an offence to set off fireworks in the street, and even in your own garden, it would be appreciated by your neighbours if they were given warning.

VILLAGE SKIPS

Aylesbury Vale District Council has agreed to supply Soulbury with 6 free skips per year. These will always be placed at the bottom of Mount Pleasant at approximately 2 monthly intervals. We would like to point out that it is fairly unpleasant for those Parish Councillors and members of the public who take it upon themselves to tidy up after the skip has gone. It would therefore be appreciated if users of the skip make sure that it is carefully filled and not overfilled.

PAROCHIAL CHURCH COUNCIL

At the last meeting of the Parochial Church Council there was much discussion about parking outside the church gates. They would like to ask members of the public not to park on the slope that is the footpath to the church. They feel it is a hazard to those who require access to the church, particularly during wedding services, christenings and funerals. It was also pointed out that the Clubroom car park is needed for use by those attending functions in the Clubroom or a service at the church, and parking spaces there should not be used indiscriminately.

HORSE RIDING ON FOOTPATHS

We have been asked to draw the attention of riders to the damage that is being caused when exercising horses on public footpaths at this time of the year. Particularly between Brook Cottages and Wing Corner, where the verges have been recently re-seeded.
