LOCAL RESIDENTS LEAVING We are sorry to have to say goodbye to two couples who have been conspicuous in the life of the village for a number of years.

Jean and John Clark came to the locality about thirty years ago from Scotland. They have always shown an interest in all activities especially involving young people. This led Jean to teach at the Sunday School and John to be a Scout Leader and also a Youth Club Leader. For many years they have been loyal workers at the chapel and they will always be remembered for their open house welcomes.

Heather and George Wright have only been in Soulbury about eight years but George's energy has involved him in gardening and helping out in all sorts of situations. They are two people who are always prepared to lend a hand and will be an asset, I am sure, to their new neighbourhood.

We wish both Mr and Mrs Clark and Mr and Mrs Wright a very happy and healthy retirement in Gloucestershire.

PLAYGROUND CARETAKER The Parish Council will also miss Mr. Wright as he has been a conscientious worker, keeping the children's playground tidy and clean. George's attention to detail has meant that youngsters can use the area without risk; the grass edges are cut and the litter cleared away regularly. Anyone who would be prepared to keep a continual eye on the playground as a replacement for George would be welcomed by the Chairman, Mr Alf Peacock - 270541. the successful applicant would receive a half yearly honorarium.

HARVEST FESTIVAL GIFTS The older residents of the village would like to thank the Chapel for their kindness in distributing these gifts. They were very gratefully received.

CONGRATULATIONS to Jill and Mick Kent on the birth of their son William on the 16th September.
