

**Parish Council News**

The preliminary meeting held on 7th September to discuss plans for a Parish Centenary Fête in 1994 was well attended. It was agreed that the celebrations should involve a two day event with a Victorian theme, with Saturday the 25th June for the main Fête activities and Sunday 26th June featuring an exhibition, service, open days etc. Whilst celebration is the main aim, it is hoped that the weekend activities will help to raise funds. The

intention is that the church will be adequately compensated from funds raised for foregoing its usual annual fête. Further allocation of funds to local causes will be dealt with in due course by the Parish Council.

A Centenary Committee has been established, which has now had its first meeting. Volunteers are needed for a number of sub-committees; if you are interested, please contact the named sub-committee liaison member for your area of interest.

**Making Contact**

In order to give a better service to the public, Thames Valley Police are installing a new telephone system and reintroducing many local telephone numbers. The number to ring in an emergency is still 999. In other cases contact WPC 4102 Sue Furber on her direct line number 0908 686615/6. Thames Valley Police are sure the new system will be easier to use and enable them to provide a better quality service.
