

(When the October issue of the Newsletter is delivered a payment of 15p will be due to cover the following six months. We are changing the payment month to October with the idea that the longer daylight hours and likelihood of better weather will be of assistance to the collectors.)

Readers will notice a dearth of items in this month's Newsletter. During the holiday period there are very few events in the village although in the surrounding fields the culmination of the year's work is to be seen. Nowadays, when so many of us earn our livings in nearby towns or even, perhaps, as far away as London, it is easy to forget the vital part played by farming in the economics of the country. Although each year sees fewer people employed in agriculture the output of our farms is greater than ever before. It is good to realise that Soulbury is part of this great country-wide operation.

Parochial Church Council

There will be a joint meeting of the Parochial Church Councils of Soulbury, Stewkley and Drayton Parslow at 8.00 pm in All Saints Church on Monday, 8th September. It will commence with a said celebration of the Holy Eucharist and then divide into mixed groups of not more than eight people to discuss "The Child in the Church". The Vicar suggests that there is a need "to clarify not only our aims but the methods we use in the Christian upbringing of our children," and hopes that P.C.C. members can help in this.
