

Village Playground. The Playground Committee would like to thank Tracey Harris, Rachel Sheath, Helen Rowe and Danny Maher for the total of some £65 they raised towards equipment costs, and to thank all the villagers who contributed to the total through sponsorship.

The Community Work Programme have provided an invaluable source of labour, and the virtual completion of the equipment installation in time for the school summer holidays could not have been achieved without their efforts.

Users are reminded that the Playground is available for proper use during the hours of daylight. It is only fair for residents living near the Playground not to be disturbed after dusk, and the Committee urge users to consider others' rights in this and other respects.

The Committee would be grateful for a volunteer to serve as Secretary from September onwards. Please let any one of the existing committee members know as soon as possible if you are interested.
