

Parish Council News

We would like to publish a letter from Mr Alf Peacock, chairman of the Parish Council. "1994 is the Centenary of Soulbury Parish which, with other Parish Councils, was set up by the Local Government Act of 1894. It has been suggested that the village should mark this anniversary by holding a day of celebration, the main event being a Victorian style fete on the village green.

Although not principally a money making venture, one of the aims would be to raise funds for the Parish Church (who would not be holding their annual fete) and for the general benefit of the village.

To make this a successful venture, we need the support of all organisations, businesses and individuals in the village, who we hope will combine to make this a memorable occasion. I am therefore, asking all such bodies and interested persons to send a representative to a preliminary meeting to be held in the Village Hall on Tuesday 7th September next at 8 pm. The purpose of the meeting is to hear views and ideas and form a working group to get the project off the ground before the end of the year.

I am sure that, together, we can make this once in a hundred years' celebration a great success and a day to remember. I look forward to receiving your support.

Yours sincerely

Alf Peacock (Chairman of Soulbury Parish Council)"
