## All Saints Church Services and News

### Church Services

We are having a Holy communion service on Easter Day at 11.30. As we don't feel it is appropriate to ticket this, as some churches do, this service may be popular and, as we are socially distancing, the church may be full. Please be understanding if this is the case although very unlikely.

However, normal services will be resuming from Easter as follows:

11th April	No service	
18th April <i>Rev. Howard Robson</i>	Parish Communion	11:30 am
25th April <i>Rev. Howard Robson</i>	Parish Communion	11:30 am

## Soulbury Parish Hall

# Letter from our Team Rector

“We know the price of everything and the value of nothing”. I was reminded of that phrase by an advert in a recent edition of *Classic Car Weekly* for a 1978 Daimler Sovereign. The car is immaculate, but then it should be because in forty three years, the Daimler has covered only 400 miles. The seller is asking £42,000. The car raises a very interesting question about the relationship between value, price and worth.

The *value* of a late seventies Daimler in excellent condition is significant, but the *price* of this one is significantly higher than usual because of its mileage. But the *worth*? Such a low mileage means that to use the car would mean major recommissioning, but then would you want to use it and increase the mileage? But if the car remains unused, what’s the point of having it? Some (many?) would say that the car is not *worth* having.

The relationship between value, price and worth is something we live with daily and we apply it to everything we do, sometimes even towards other people. And our selective valuing can be conscious or not. Day by day for us all therefore, thinking about how we view others and how we judge accordingly is an important exercise.

The Gospel of Christ meets head on the question of value, price and worth. All are valuable as created beings in the sight of God; all are worth the effort of relationship with Christ and Christ paid the ultimate price to demonstrate this. Throughout the Easter story, Christ neither remonstrates with nor avoids the accusations or ridicule from others; he simply allows their (our?) values to play out and thus be seen for what they are.

At Easter we are confronted by Christ’s valuing of us all; for Christ rose again and every Primary school child I have ever asked knows Jesus did not rise again to “zap” those who nailed him up. Jesus’ absolute valuing of us all is amply shown by the invitation to follow him in his risen life because we are worth it. Easter chocolate is yummy and Easter bunnies are cute, but neither help with the question “how much am I worth?”. The Gospel of Christ replies *You* are worth everything.

With every blessing,

Rev'd Howard Robson

# Council Elections

## YOUR PARISH NEEDS YOU!

**MAKE A CHANGE**  
BECOME A COUNCILLOR

### **What do Local Councils and Councillors do?**

Local (parish and town) councils and councillors make a massive difference to local peoples' quality of life. They are passionate about their communities and seen to make a change to help improve their residents' lives.

Local councils run numerous services, depending on the size of the council. Many you will see day-to-day, but some are less known. These include introducing solar panels, setting up dementia-friendly groups, organising community buses, creating neighbourhood plans, implementing suitable housing, establishing youth projects, managing allotments and open spaces, maintaining footpaths, public seating and litter bins.

Councillors are elected to represent the local community, so you must either live or work in the council area. Becoming a councillor is a rewarding experience as you will be able to make a change in your community to help improve residents' lives. A councillor's role can include developing strategies and plans for the area, helping with problems and ideas, representing the community, working with other local community groups, decision making and reviewing decisions and talking to the community about their needs and what the council is doing.

# Parish Council News

The meeting of Soulbury Parish Council was held on Monday, 15 March 2021 at 7.30 p.m via Zoom due to ongoing COVID-19 restrictions. There were 5 members of the public present. Apologies received from Cllr I. Culley and Mr J. Spires, Clerk to the Parish Council. Cllr Taylor was asked to take the minutes of this meeting. Minutes of the meeting held on 15th February 2021 were approved. Matters arising covered Greg Smith's title where he was referred to as Cllr where it should have been MP. Various bills were paid.

## **Planning:**

- 21/00420: The Old Vicarage, 20 High Road, Soulbury - addition of second entrance from driveway with a dropped kerb.  
No objection.
- 20/03987: Liscombe East, Liscombe Park, Soulbury - change of use of Liscombe East to offices (Class E) and associated storage use, etc.  
No objection
- 21/00642: Hillview Farm, Dean Farm Lane, Soulbury - detached store.  
No objection.
- 21/00813: 5 The Mead, Soulbury - proposed single storey side and rear extensions.  
No objection.

## **Childrens' Playground:**

The lease is back with Buckinghamshire Council now awaiting final ratification. The lease commences on 24 March 2021. There is £15,000 of s106 monies relating the Hillcroft development (The Mead) which needs spending by 17/12/2022. Cllrs Wright and Stevens will investigate possible sources of matched funding.

## **Grass Cutting:**

The new contractor will ensure the Childrens' Playground is cut regularly as well and all grass work in the village will commence when the ground conditions allow. Cllr Wright was concerned about the ruts created on the grass verge by the new build in the Boot field. It appears a hedge trimmer was the cause and application has been made to Mr Pargeter to rectify the damage.

## **County Councillors:**

No Councillor present.

## **Parish Hall:**

Nothing to report. Usual cleaner, Sue Green, will ensure the hall is clean for May elections.

It was suggested that Ian Woodland attend the parish council meetings in order to provide a report of what is happening. Cllr Wright will forward the Zoom link and invite him. If he cannot attend, a written report will be required.

## **SMG:**

The Community Payback teams are back so the long list of jobs to do will be worked through. A supply of wood chip has arrived so paths can be improved.

Due to COVID restrictions fundraising has considerably reduced but it is hoped that Soulfest will go ahead on 10th July, subject to Government easing of restrictions going ahead as planned.

## Public Participation:

Footpath in Hollingdon: the footpath leading out of Hollingdon appears to have been diverted around some new housing and as a result has been ankle deep in water for a lot of the winter. This needs addressing. Cllr Wright agreed to visit the site and look into the matter.

The adopted, tarmaced section of The Mead is in an awful condition and needs resurfacing. It was suggested that the problem be put to Highways via their Fix My Street section of their website in the first instance.

## AOB:

Cllr Wright would like to purchase another speed indicating device at a cost of £2,695 plus VAT. He and Cllr Day have prepared the site. It was suggested we look at getting one which is solar powered. It was unanimously agreed to go ahead with this.

Cllr Wright put a plea out for people to talk up becoming a parish councillor. It was suggested that a 'Your village needs you' poster be dropped through everyone's doors and volunteers came forward to do the deliveries.

**A schedule of the meeting dates until July 2021 are given below. Because we have upgraded the Zoom account there is now one link for each and every meeting.:**

## Marquee for hire

Have you considered using the Soulbury Millennium Green for events and functions? There are many facilities on the SMG to make your event a success which includes a 12m x 6m white marquee. To hire this marquee the cost is £150 per event. So please consider the SMG for parties, children parties, birthdays, barbecues, wedding blessings, etc. Contact Alan Stevens or Wendy Taylor to discuss.

For the hire of marquees for functions at other locations, please call Alan Stevens to discuss the cost and logistics.

Ever hopeful that we will be able to socialise again, this facility can be considered for any future planning.

# Graeme Lowes: sad news and a celebration of his life

Many of you will have heard the sad news that Graeme Lowes passed away on Saturday 27 February, after a short and very sudden illness. Graeme was only 60 years old, fit and healthy, and this news has devastated his family and friends.

Diane and Graeme have lived in Cypry House, Dean Farm Lane, Soulbury for nearly 25 years, most of their married life. Their adopted daughter, Zoe, joined them in 2004. They all really enjoyed the events and celebrations with friends and neighbours in Soulbury over the years.

Many people in the village would know Graeme through walking the dogs - first Bill and then Mo the black Labradors and Diane's mum's dog, Hunni, the Bishon Poo.

Graeme also really enjoyed a pint with the early evening crowd in the Boot, catching up on village news.

Diane's family and friends are providing help and support, and Diane really appreciates the kind messages and help from people in the village.

Graeme's funeral service is on Monday 29 March, and due to COVID only close friends and family have been invited.

Living in Soulbury has meant a lot to Diane, Graeme and Zoe, and a Celebration of Graeme's life is planned in Soulbury on Saturday 14 August. There are plans for a service in the Church in the village, followed by a celebration, with donations to the Church and Millennium Green.

We're sharing details of the funeral service and Celebration of Graeme's life via a WhatsApp group. If you'd like to be added to the group, please contact Diane at Cypry House.

# Your Magazine

First, a thank you to those who have responded to my plea in last month's magazine. The response, when you consider the number of copies we used to print, was not wonderful. However, those who did respond came up with some ideas so we will try a couple of them. The recipe idea was supported so to this end I am starting the ball rolling. Another suggestion was getting to know people in the parish better so we are going to compile a list of questions and a person will be interviewed with those questions and their answers will be seen in these pages. Perhaps we can add a bit of intrigue and call it 'Guess who this is'? I will think about that one!! I will start the recipes in this issue and the second suggestion will start next month. Enjoy!

## Get Cooking!!

We thought it might be a good idea if the recipes you send in had a little bit of history attached. Was it your Granny's recipe and when and why did she use it, for instance.

The following recipe was my Mum's, Mavis Taylor. She always tried to make ingredients go further but the end meal had to taste good too. So as, hopefully, summer is on its way here is one of her recipes to make two tins of red Salmon serve 8 people.

### Salmon Mousse

2 x 225 gm tins	Red Salmon
2 tbsp	Lemon Juice
2 tsp	Tomato Ketchup
1 tbsp	Chopped Parsley
2	Egg Whites
4 tbsp	Cold Water
1	Sachet of Gelatine
1 sm can	Evaporated Milk
Salt and pepper to season	

Put salmon into a bowl and remove skin and bones. Mash to a paste.

Stir in lemon juice, ketchup, parsley and seasoning.

Using the gelatine and water, follow instructions on the packet to produce a liquid and add to fish mixture, mix well.

In separate bowl, whisk milk until thick and doubled in volume. Fold into fish mixture with cold, metal spoon.

In a clean, cold bowl using clean, cold whisk, whisk the egg whites until stiff and forms peaks.

Fold whisked egg whites into fish mixture with clean, cold metal spoon.

Pour mixture into lightly oiled 2 pint ring mould, cover, seal and freeze until required.

To serve: slightly warm metal ring to release the ring of salmon mousse on to a serving dish and allow to thaw completely. Garnish with watercress and cucumber.

Enjoy with salad and new potatoes.

## Funding from Police and Crime Commissioner To Support Rural Communities

The Police & Crime Commissioner is to allocate funding from the 2021/22 budget towards protecting rural communities from crime.

The Thames Valley covers hundreds of square miles of countryside encompassing many small towns, villages and isolated communities. Many people in these rural communities can often feel marginalised and vulnerable to crime so the funding will ensure that they feel thoroughly supported and protected.

We have some excellent rural neighbourhood officers which are highly valued by the rural community and the funding is an opportunity to see how we can further support them with a dedicated team of equipped rural crime specialists.

Ultimately this funding will help to build trust and confidence within our rural communities through the ongoing work of our rural neighbourhood teams.

Matthew Barber, Deputy Police & Crime Commissioner for Thames Valley, said:

“We must respond to the needs of our communities, and in rural areas that response needs to be different from in our towns and cities. This funding is absolutely the right way forward to reassure communities who are vulnerable to rural crime and we look forward to updating you in the coming months on how we plan to approach this.”

## Worried About Getting Hacked?

Dear Subscriber,

### **Over 15,000 hacked email and social media accounts reported in one year.**

If a hacker got into your email or social media account, what would they find? Health and banking information? Names and contact details for your friends and family? Private photos and messages? For most people, it's at least one of those.

Your email and social media accounts contain a wealth of personal information about you, which makes them a lucrative target for cyber criminals. **Between February 2020 and February 2021, Action Fraud received 15,214 reports about email and social media account hacking.** The majority of reports (88%) were made by individuals, with 12% of reports being made by businesses. Analysis of the crime reports revealed that Facebook, Instagram and Snapchat were the most affected social media accounts, with phishing messages being the most common tactic used by cyber criminals to lure unsuspecting victims.

The motivation behind the hacks are varied and can range from financial gain, to revenge or personal amusement. Some victims are extorted for money, whilst others have their accounts used to send malicious links to their contacts. One victim who had multiple email and social media accounts hacked paid over £2,000 to regain access to them. Another victim reported that her hacked Facebook account was used to trick her friends into sending money into a PayPal account they thought belonged to her.

### **Secure your email and social media accounts in just a few minutes. Here's what you need to do:**

- 1: Use a strong and separate password for your email,** as well as other important accounts, such as your banking or social media accounts.
- 2: Enable two-factor authentication (2FA).** It will help to stop hackers from getting into your online accounts, even if they have your password.
- 3: If you can't access your account,** search the company's online support or help pages. You'll find information about how to recover your account.

# Soulbury Millennium Green

[www.soulburymillenniumgreen.co.uk](http://www.soulburymillenniumgreen.co.uk)

The Millennium Green is starting to awaken! Spring has sprung and the grass is rising, as the saying goes. Many snowdrops have shown themselves among the trees and now the daffodils are blooming forth. The grass has had its first cut, although the ground is still a bit wet in places. The main thing is that we should see a larger footfall as soon as lockdown allows. We do have the crews back from Community Payback and they are doing an excellent job, even building their own shelter so we don't have to use the parish hall. The pond will be tidied up, plants installed around it and fencing where appropriate but, in the meantime, please be aware that it is quite deep in places.

Talking of awareness, two new notices have appeared on the fence in what we call the annexe. They are requesting that visitors do not feed the horses in the fields next door. So please everyone take note and if you see anyone feeding the horses ask them to stop. Thank you.

NUMBER 30

SOULBURY NEWSLETTER

APRIL, 1978

May we remind readers that when the May Newsletter is delivered a subscription of 15p. will be due, to cover the next six issues.

This would seem to be an appropriate time to answer some of the queries we have received about the finances of the Newsletter. Firstly, it should be stressed that Newsletter accounts have always been kept quite separate from other Women's Fellowship monies since its inception two and a half years ago.

	£.		£.
Income from subscriptions and advertisements	124.16	Expenditure on paper, ink and stencils	58.58
Repayments still outstanding	10.42	Duplicator	76.00
	<u>134.58</u>		<u>134.58</u>

We have tried to offset some of the effects of steeply rising stationery costs by buying up supplies well in advance of our needs and have at the moment enough paper to last for about a year. It will thus be seen that after May we shall have paid back the money that was lent to us and shall have established the Newsletter on a sound financial basis.

Parochial Church Council. At the Annual Meeting the members of the Council were re-elected en bloc and Mrs. C. Irons was elected as an additional member. The Council received a disturbing report from the architect who was asked to survey the fabric of the church. Attention is needed to the roof, the stonework and damage to woodwork by rot and beetle. As a first step towards raising money for this there will be a Flower Festival in the church on Saturday and Whit Sunday, the 13th and 14th of May. Full details of this event will be announced in next month's Newsletter, but in the meanwhile Mrs. Lloyd Hart and Mrs. Barnes will be grateful for offers to help for about two hours at a time in the church during the Festival. Please let either of these ladies have your names as soon as possible if you can give a little of your time.

Spring Sale. There will be a Spring Sale on Saturday April 8th at 2.30 p.m. to raise money to pay for the flowers for the Festival. Old or new items for the sale, cakes and produce will be gratefully received by any member of the P.C.C.

Annual Parish Meeting. At an unusually long annual meeting, the following are some of the points which emerged. The Parish Council's accounts may be inspected at any time in April, by appointment, at the home of the Parish Clerk, Mr. F. Austin, 5 The Mead, telephone 296. The accounts will also be on view for one week in May at the Council Offices in Leighton Road, Linslade.

It is hoped to use Jubilee Funds to make a footpath on the Green from the existing service road to Dean Farm Lane.

Allotments. There are still a few plots available. Apply to the Parish Clerk. The Council hope to arrange a meeting with the Great Brickhill Parish Council to try to reach a united viewpoint regarding the Three Locks Bridge. The public will be able to attend but will not be able to speak. Notices will be posted when the date is known. The Council hope to call a public meeting in the near future to discuss footpaths.

Women's Institute. Jumble is urgently required for the sale at Queensway Methodist Hall, Bletchley at 2.30 p.m. on Saturday, 1st April. Will anyone with jumble to be collected please ring Mrs. Hammond on 318 or Mrs. Rowe on 355. Help is also needed on the day.

The next Institute meeting on Tuesday, April 11th is an open meeting and anyone who is interested in the subject of the talk, Hedgerow Basketry, will be most welcome.

\*\*\*\*\*

We are happy to learn that Mr. W. Rowe and Mr. W. Bone are both now out of hospital.

We welcome to the village Dave Norrie, who has come to live at Laburnum Cottage and wish him every happiness in his marriage in July to Gillian.

# Soulfest 2021

As you are, no doubt, aware plans are in place to run this event on 10 July. The bands have been booked for the day together with a DJ, Scotty, who will carry on into the evening.

The line-up so far is:

The Roberts Family  
The 38s  
The Co-optimists  
Impetus  
Still Remains

The organising committee has got as far as they dare as they are only too aware that if the gradual easing of restrictions does not go as planned they might well have to change or even cancel the event.

It is envisaged that there will be an entrance fee, payable on the day, of £5 per person but children will go free.

# Community Boards

Community Boards are a new way of bringing the council, groups, organisations and local people together to look at local issues and find ways of improving them together.

As a community-led partnership, Community Boards will:

- influence how decisions are made and how services are delivered
- represent the voice of local people
- capture thoughts, ideas and suggestions
- bring together key community partners and residents
- identify local needs and work to produce creative solutions.

There will be many ways the boards will work with the community to identify what is important in each area and take action together. They are all about taking action. Working groups will explore local project, set up local projects and find creative ways to make local changes. Each board has an allocated budget and there are 5 public meetings held each year. Soulbury is part of the Winslow and Villages board, chaired by Cllr Sue Renshall. Deputy chair is John Chilver and our co-ordinator is Leone Dale.

Priorities for our Board for 2020/21 are:

- improving the environment
- health and wellbeing
- COVID recovery.

There are 5 working groups whose work is linked to the priorities. These bring together board members, representatives from the community and relevant partner organisations. The 5 are:

- youth
- health
- public and community transport
- roads and highways
- HS2 and East West Rail.

There is funding available for projects which relate to the priorities.

Please contact Vic Wright or Wendy Taylor if you would like more information or email [localities@buckinghamshire.gov.uk](mailto:localities@buckinghamshire.gov.uk) or visit [www.buckinghamshire.gov.uk/community-boards](http://www.buckinghamshire.gov.uk/community-boards)

## SUPPORTING OUR LOCAL AREA

To spread some cheer this year, Fine Homes Property has teamed up with the Brickhill Bistro to bring you some delicious treats.

If you are thinking of selling your home, book a free market appraisal with us and you will receive a golden ticket which entitles you to a selected afternoon tea or one of Kathryn's delicious cakes.

As well as this, when we sell your home we will donate 5% of our commission to a project in your village or a charity of your choice.
