# A letter from our Team Rector

Following the death of HM Queen Elizabeth 2<sup>nd</sup>, this is the first opportunity in the parish magazines to pay tribute to her. The Queen's seventy years reign meant she walked the public stage far longer than any politician could or would. Such a time period thus presented HM with many changes to our common life demanding immense resolve, perseverance and love. The Queen began her reign with an Empire which became the Commonwealth; there were freighted political issues which the Queen, on ministerial advice, had to negotiate; UK society saw a sea change in matters of divorce, abortion, sexuality and latterly, the law surrounding marriage; and there was the perceived need to modernise the Monarchy's image. These are what are called paradigm shifts. And throughout it all, HM openly declared her Christian faith.

As we reflect on HM reign, we realise two facts; one, societies never stand still and secondly, no-one should ever pretend that the impact of change is ever completely clear. Happening to have been monarch for seventy years is not the point; more so than all her speeches, the opening of this and the unveiling of that, perhaps the Queen's greatest contribution was to have demonstrated what dealing with questions of change looks like; in imitation of the Christ who addressed the spirit of the Law and the motivations of the heart, HM's continuous faith declaration showed a willingness to explore all life presents hand in hand with faith.

Just as HM kept an active interest in our common life, as we anticipate a winter of much uncertainty, please feel that you can come to any of the village churches and ask for help. There is no shame in that. We are discussing with parish councils having a rota of public buildings open for warmth during the day, there are foodbanks and advice with money and cooking. Please do not sit and worry.

With every blessing,

Rev'd Howard Robson

## Soulbury Helpers

With all the uncertainties this winter and concerns regarding heating and food, please do not hesitate to contact the Soulbury Helpers. As you know, this is a fantastic team of people who helped look after everyone during lockdown. Now they are concentrating on people who feel they cannot heat their homes or need help with food basics. The services they can provide will be put in the Parish News and on the website. You are not on your own so please do not be shy. Ask for help - it is what Soulbury Helpers was set up for.

# Important note from The Editor

Sadly, it has become necessary to make a decision I did not think I would make but having become Parish Clerk and RFO to the Soulbury Parish Council I find that I am spreading myself too thinly in terms of all I do for Soulbury and something has had to give. So, to that end, I have decided that I will have to give up being your Editor. This means that the December 2022/January 2023 issue will be my last.

The parish is now, therefore, looking for a person or persons to take the magazine forward. I thought it best to announce this now so I can assist with any handover required.

Please contact me - details on the inside front cover - if you would like to take on the role of Editor of Soulbury Parish News.

## Guess Who?

This month's Guess Who? person does not live in Soulbury therefore you may wonder why I have chosen them, read on to find out.

Their first job on leaving school was as an assistant at a professional golf establishment.

This person's favourite books are The Lord of the Rings by Tolkien and The Da Vinci Code by Dan Brown. As to music they like anything and everything connected with acoustic guitars. Perhaps they play the guitar themselves. They look as though they might, being bald, tall and bearded – their words not mine!

They have strong connections with Orlando in Florida and the day after we spoke they were flying to visit South Africa for the first time but would like to visit Thailand.

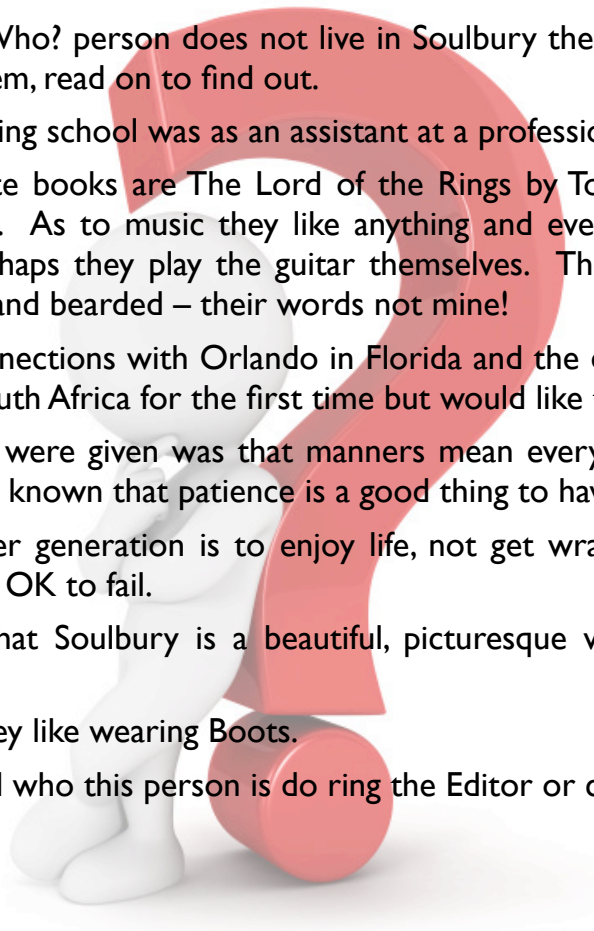

The best advice they were given was that manners mean everything and cost nothing. They wished they had known that patience is a good thing to have.

Advice to the younger generation is to enjoy life, not get wrapped up in technology. Also to know that it's OK to fail.

This person thinks that Soulbury is a beautiful, picturesque village and enjoys being associated with it.

Forgot to mention they like wearing Boots.

If you have discovered who this person is do ring the Editor or call Inn.

# Parish Council News

The meeting of Soulbury Parish Council was held on Tuesday, 27 September 2022 at 7.30 p.m in the Parish Hall. There were 2 members of the public present. Apologies were received from Cllrs Wright and Day. Minutes of the meeting held on 18th July 2022 were approved. Matters arising: Cllr Daryshire-Mackay will check she is set up at the bank correctly. Various bills were paid.

## **Planning:**

22/02664: The Pool House Stockgrove Park, Soulbury, LU7 0BB - Listed building application for light tunnel and extractor fans, internal changes to ground floor and boundary fence. Comments: No issues with regard to the internal changes to the Pool House. Regarding the application for fencing Pool House boundaries, this could be an issue as there are covenants in place restricting the introduction of fencing. This needs to be treated as a separate issue and residents in the area are investigating this in more detail.

22/02838: 67 High Road, Soulbury, LU7 0BT - application for garage conversion to habitable space and linked to main property by single storey front/side extension and single storey rear extension. No objection.

22/02905: The Limes, Stockgrove Park, Soulbury, LU7 0BB - T1 Beech crown lift, T3 Limefell to ground and replant, T4 Lime remove dead wood.

22/02906: Beech House, Stockgrove Park, Soulbury, LU7 0BB - T1 Beech crown lift

22/03128: Ange Hill, Leighton Road, 3 Locks - lower ground, ground and first floor extensions into 6 bed house with landscaping. No objection.

22/03137: Former 9 Stewkley Road, Soulbury - erection of semi-detached 4 bed dwellings. Objection: not sufficient room for parking, danger of reversing out on to busy main road, visitor parking will spill over into The Mead causing access issues to existing properties.

22/03146: The Cottage, Church Lane, Soulbury - reduce crown of Walnut tree overall by 2.5-3 metres.

22/03202: Durrance Farm Business Park - Certificate of Lawfulness for existing use which seeks to establish open storage. Objection: Planning has been refused for hardstanding and open storage already due to not being sensitive to site surroundings and adverse impact on landscape. Looking at the photographs supplied with the application they appellant obviously has complete disregard for this and has carried on anyway.

We have been advised of an appeal. Sandy Hill Farm, Leighton Road, 3 Locks was refused permission for this area to be anything other than a non-residential smallholding. Stables were built and used for a while as such but planning permission was sought to change them to residential use. An enforcement notice has been issued to return land to original state, demolishing the buildings, take away the mobile home and lift the hardstanding. An appeal has been sent to the Secretary of State against this.

## **Childrens' Playground:**

Fencing to be replaced. Cllr Stevens organising site visit with fencer.

## **Parish Hall:**

The Clerk read out the financial report for the village hall.

## **Reports from County Councillor:**

Cllr Jordan read out her report. It will be added to the website.

**SMG:**

Picnic in the Park event on 16 October. Free event, donations welcome. Fireworks 5 November. Tow new committee members.

**Parish Magazine:**

The Clerk asked if the Council would finance the printing of the magazine to the Christmas edition. This is because The Clerk will be giving up editorship at Christmas. She has therefore not pursued advertisers which were all due in September due to uncertainty about continuance after January 2023. Council agreed unanimously to this.

**Public Participation:**

Call for brownfield sites - Green Farm will be offered.

**Any other business:**

Cllr Darbyshire-Mackay is concerned about the hardships that may occur this winter and wanted to organise assistance through the Soulbury Helpers. For those scared of turning on the heating could the parish open the parish hall for them offering coffee/tea. The Social Group meets regularly so they could use that facility - dates are always in the parish mag. Cllr Darbyshire-Mackay will link up with the Leighton and Linslade Helpers as well. The Clerk pointed out that the churches in area are opening their halls for warmth and sustenance as well. A note about that is in the October Parish News. She also asked that this issue be a continual agenda item so we can stay on top of requirements.

**The next meeting will be held on 17th October, 2022  
at 7:30 pm**

Cllr Phill Gomm

Cllr Jilly Jordan

# Village Photos

You will have seen Alan Steven's monthly report regarding the Soulbury Millennium Green where he relates the story about a certainly little dear who appeared to be in the 'family way'. She was obviously distressed and after a few telephone calls by Richard, Tiggywinkles came out to take her into care.

Let's all hope she is a proud mum now.

## Womens' Institute News

All present were given a warm welcome after our summer break by Jean Housley (Vice President) including the speaker and two visitors Jill and Faye.

As a mark of respect we did not sing Jerusalem, and instead there was a one minute silence for the sad loss of a much loved Queen Elizabeth II [a member of Sandringham WI] who sadly passed away on the 8 September. Our thoughts were with the royal family especially our new King, Charles III.

We also sent our best wishes to the family of Greeba Cochrane who sadly lost her fight with cancer recently. She was a truly inspirational member of our WI and will be missed by all.

Happy Birthday wishes and the usual small gift were given to Esther Martin, Janette Bolton, Tricia Meers, Andrea Hamilton, Cassia Lorrimore and Sue Stephens.

We will, as in previous years, collect for our usual charities over October, November & December. These are **The Local Food Cupboard**, **The Salvation Army Toy Collection** and donations to a chosen charity to replace the giving of Christmas Cards within the club. It was stressed that all these collections are voluntary and members could choose to donate or not as they wished.

Jean then introduced Doug, the Community Ambassador for Anglian Water who gave us an enlightening talk about the various aspects of dealing with what is our most precious commodity. The presentation consisted of a slide show with some amazing facts and statistics on the size and range of their operation. He also covered many of the challenges they faced not least the extremely hot weather causing dry river beds that had obviously made life more difficult and of course the unwanted things flushed down our toilets! Also mentioned was a Smart Meter roll-out that had been started in 2020 which will help to detect leakage promptly. We were given a questionnaire on prioritising services ie leakage, environment, quality, affordability and demand and infrastructure. This will be fed back to Head office as an indication of customer opinion. It was a topic which raised much interest from our members.

Refreshments were served, the raffle drawn and the meeting closed at 10.00 pm.

Next month's speaker is Jeff Rozelaar and his talk is entitled Bacon & Bagels - based on his experiences growing up in East End of London Post War.

The WI 2023 program is nearly complete, featuring:

**Tales of the Unexpected in Soulbury** – a Pick & Mix of 200 years of facts about our village and its residents.

**Butterflies of the Chilterns** - What to spot in your gardens.

**Costa Rica** – A photographic trip – no airport check-in queues!

**Where There's a Quill There's a Play** - a light-hearted look at Shakespeare.

**Man on the Spot** - BBC's Bill Hamilton.

**The West End comes to Soulbury.** Richard Stark comes to entertain us. Those of you who attended the Sunday Jubilee Celebrations on the Millennium Green will have heard Richard sing there.

Visitors always welcome for just £3 including refreshments

## Social Group

The Social Group met as usual on three occasions in September. The first of those meetings took place at Pat's home as there was only her and Beverley, about. Later meetings have been attended by more of us, as holidays are over for some. Our afternoon tea and cake sessions seem to have got out of hand of late and we were all having far too much to eat so, as a joint decision we are reverting to just tea and cake in future. Having said that I am sure that should any newcomers drop in, they would be most welcome and I'm sure sufficient food and drink would be found. We will, of course, be considering our Christmas meal soon, so any suggestions?

# Soulbury Millennium Green

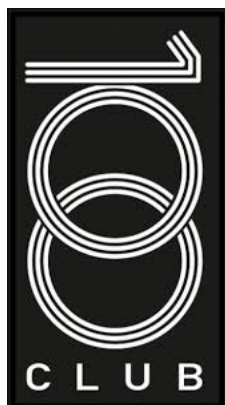

The Millennium Green had an unusual visitor this last week in the form of what appeared to be a very pregnant Monkjak deer. She was obviously in some form of distress as she made no effort to jump up and run off. Richard, in his wisdom, called his vet who referred him to Tiggywinkles and they came along and took it into care. Well, who knows what will turn up next.?

Well, actually I do and it will be the Great Horwood Silver Band, arriving at 2pm on Sunday 16th October. Some might say this is a bit late but, before the clocks go back the committee felt that we should have one more function before firework night. This will be a free concert, (voluntary contributions gratefully accepted) so do come along, bring a picnic, if you so wish and enjoy our version of The Last Night of the Proms. There will be hot drinks, cold drinks and cakes available. Make a note 16th October.

## Cricket News

Many will have seen the recent announcements that Brian Mead passed away in June of this year. Brian was the mainstay of Soulbury Village Cricket Club for well over 50 years. He was also instrumental in founding the original Bucks/Beds Border cricket league, which expanded into the very successful Four Counties League. The League thought it fitting to remember Brian's long service to the game and donated a trophy in his name. This year Soulbury Village Cricket Club played the FCCL Select XI, comprised representatives of many of the teams that played in the original Bucks/Beds Border League. Many of the players came out of retirement to take part and plenty of spectators turned up for a very pleasant afternoon's cricket and traditional cricket tea. Soulbury captain for the day, Brian's son Nick, won the toss and put his team in to bat, making a very creditable 267 for 9 in their 40 overs. After tea FCCL Select XI made steady progress towards the total managing to bat all 40 overs but were 67 runs short of the target again with the loss of 9 wickets. So the trophy was presented to Nick Mead by FCCL Chairman Martin Quinn – see photo. The trophy is to be awarded annually after a similar memorial match.

Many thanks to the Hunt family for manning the bar, Rachel for the delicious teas, Heather for extra cakes, umpires Gordon and Martin, scorers Chris and Mel, Roger, David and others for getting the ground ready, players and spectators who all helped to make this a great day.

SOULBURY NEWSLETTER

October, 1979

May we remind our readers that when the November issue of the newsletter is delivered a payment of 15p will be due to cover the next six issues.

\*\*\*\*\*

At the recent meeting of the Parish Council concern was expressed at the state of public footpaths within the parish, many of which are overgrown and impassable. For a long while Mrs. G. Osborn has been doing sterling work in walking some of the paths, but it is felt that a greater effort is needed in view of the extent of the parish, taking in as it does Hollingdon, Chelmscote, Liscombe, Bragenham and beyond Stockgrove as far as Watling Street.

The Women's Fellowship has agreed to arrange organised walks which will ensure that all footpaths are walked at least once every year and anyone is welcome to join in. Dates and times will be announced from time to time in the newsletter.

It is felt that this is a very worthwhile project which is necessary to save our footpaths for our own time and for the future.

\*\*\*\*\*

## Parish Council

The Parish Council has received an invitation to affiliate to the Council for the Protection of Rural England, Buckinghamshire Branch. In order that the objectives and programme of the C.P.R.E. can be better understood the Parish Council has invited a speaker from the Buckinghamshire Branch to address the next meeting of the Parish Council which is to be held on Tuesday 30th October. The meeting will start at the earlier time of 7.30 pm in order that the evening from approximately 8.45 pm can be given over to the above. Members of the public are cordially invited to attend.

\*\*\*\*\*

## WARA

During the recent visit of Mrs. Thatcher to Milton Keynes and Stony Stratford Soulbury branch of WARA was represented by Mrs. H. Pooley and Mrs. J. Kellner. Mrs. Thatcher was also given a posy of red and white flowers in the form of the WARA emblem. The police commented on the orderly manner in which the protest was conducted.

At the end of the sponsored walk the total amount raised by Soulbury was £217; the highest individual amount was £43, raised by Heather Parrott.

\*\*\*\*\*

## Methodist Chapel

We should like to thank everyone who contributed to the 'door-to-door' collection which amounted to £45.01p. This, together with the £50.56p from our Harvest Festival offerings, has been sent to Christian Aid. The produce was distributed to the sick and elderly people in the village. Our thanks to all who helped in any way to make this a real Harvest Thanksgiving.

## Weeks of Action Targeting Modern Slavery and Human Trafficking

Working in partnership with the National Crime Agency (NCA) and Europol, officers from Thames Valley Police identified a number of potential victims of modern slavery following three weeks of activity focusing on massage parlours under Project Aidant, an NCA-led law-enforcement response.

The activity took place between 22 August and 9 September as part of a Europe-wide operation, involving partners from Immigration Enforcement and local councils. The project aims to enhance and develop our knowledge of modern slavery linked to massage parlours, focusing specifically on adults or children (under 18) who have been trafficked to the UK, or exploited in the UK.

During this Project Aidant, officers visited 57 premises across the Thames Valley and encountered over 50 people who were spoken to about Modern Slavery and given advice. Of those people, 5 were identified as potential victims and safeguarded.
