A letter from our Team Rector

Christmas is upon us and I hope you will have a tree with presents beneath it. And under every tree there is also the gift of the Christ child. We may think of this 'Christ present' as a parcel in its own right or as a holy presence, but whichever, the Christ present is there to be opened, or not, as the case may be.

Despite the differing routines for present opening, they involve reading the label, maybe undoing ribbon, certainly removing the wrapping to reveal a gift. Allowing the Christ gift to be part of this is to allow Him to partner the chocolates, jumper, book, electrical gizmo. Christ becomes the frame within which the present finds its justification; the love, trust, commitment, all the emotions that underpin our festive giving find their home in the love of God for his world, a love that is incarnate, present, in our daily life. So you gave me the jumper because you love me and the gizmo I gave you says your happiness matters to me. This is framed within the Christ present because God says I love you, you matter to me and I have sent my Son to show you. The joy in giving is rooted in that ultimate gift. But of course, the Christ present is not always allowed to partner the giving. And when that happens, I think the festive giving becomes, well, all a bit flat. Are we to seriously suggest that love, joy, peace, all those wonderfully powerful emotions can be adequately contained by knitwear, confectionary and gadgets?

I know some find Christmas difficult and I'm sorry for that. But whoever we are, the Christ present is freely available.

With every blessing this Christmas,

Rev'd Howard Robson.

Social Group

The Social Group continue to hold their fortnightly get together at The Parish Hall every other Thursday afternoon. Dates for December are the 8th and 22nd. We gather at 2.30pm and generally have tea and cake for about an hour and a half. Very often the sound of laughter rings out as we recount various happenings in each of our lives. Nothing too serious just enjoying the companionship. I really find it hard to believe that there are only eight to ten people in the village that are willing to come along and socialise. If you feel you might like to find out what it's all about you would be most welcome to come and see for yourself - there is a warm welcome waiting and certainly no obligation. One of our members, Hilary, recently had a fall and is currently in hospital, we all wish her well and a speedy recovery.

Please note that we now have the Parish Calendars for sale. The proceeds from their sale go to the Millennium Green upkeep. Please contact Wendy Taylor in order to purchase one - or lots!

Guess Who?

As this is the last 'Guess Who' I would like to thank all my 'victims' who agreed to take part in this article. I have met some very kind and interesting people, thank you. I hope you have enjoyed reading about them.

My last victim is not a person but has lived in the village for 11 years. His owner loves him very much and includes him, as far as possible, in their day to day life. He was given to his owner when they were 1 year old.

He has many outfits, which he never gets to choose, but wears them anyway. He always likes to feel appropriately dressed, even when watching snooker or tennis on TV. He loves going horse riding and enjoyed attending shows coming home invariably with huge rosettes that cover his chest. He even went to his owner's wedding looking very smart, of course, in a specially made outfit. He has a police uniform as he has assisted Thames Valley Police by going with his PSCO owner to Mums and Tots groups in Winslow, as well as Mother's Union meetings and even a Teddy Bear's Picnic - all in the line of duty of course. He did hit the headlines in the newspaper for this work.

He loves hearing stories about Winnie the Pooh but I wonder if he was jealous when his other friend had tea with the Queen. Maybe you could put one of these on your Christmas list so he will have another friend.

I haven't had many calls on the last 4 'victims' so I now list them so you can determine if you were correct in guessing who they were:

August	Pat Jones
September	Karen Wood
October	James at The Boot
November	Gay Henrick

As this is the last issue I will be editing you had better know the answer to this month's Guess Who - so please go to the inside back cover to find out. Ed.

Parish Council News

The meeting of Soulbury Parish Council was held on Monday, 21st November 2022 at 7.30 p.m in the Parish Hall. There were 2 members of the public present. Apologies were received from Cllrs Darbyshire-Mackay and Jordan. Minutes of the meeting held on 17th October 2022 were approved. Matters arising: The Pop-up Pizza cafe in the Parish Hall is once a month on a Friday. The window in the parish hall has been repaired. Various bills were paid. Budget for 2023-24 agreed so precept can be applied for.

Planning:

22/03591: Liscombe House, Liscombe Park, Soulbury LU7 0JN - erection of 224 ground mounted solar panel array. No objection.

21/03662: Close Cottage, Church Lane, Soulbury LU7 0BU - work on several trees at site to reduce height and spread plus 10 cherry trees to be taken down to ground level. As this will be more of a decision by the Tree Officer, the parish council felt there was no need for comment.

Childrens' Playground:

Quote obtained for new fencing around the area. After discussion it was decided to go with Aaron Fencing as their quote included removal of old fencing and Cllr Day has used the company and knows the standard of work.

Grass Cutting:

Robert Goss has been asked to trim all the hedgerows within the 30 mph limits in the village.

Oak tree for the Village Green:

It was agreed to include a tree in celebration of our new King. Cllr Day will ascertain costs for this.

County Councillors:

No report.

Parish Hall:

Blown double glazed window now fixed, drains no longer blocked. Two uplighters not working in hall. Replacement bulbs will be obtained and fitted.

Wendy read out the financial report for the village hall.

Millennium Green:

Firework display made £840. A lot of people attended as the Leighton Display was cancelled. However, they arrived a lot earlier than the appointed 6:30 pm start and so food outlets were not crewed up sufficiently. It was felt we need to keep gates closed until the appointed hour as it was felt that those in early did not donate.

Dates for various events in 2023 were listed and appear in this magazine.

Public Participation:

Frances Meichtry has had a problem obtaining daffodill bulbs for the children to plant and

Any other business:

The 'Meet your Parish Council' Cheese and Wine event has been moved to 13 January 2023.

Christmas tree for the village green has been bought and Lindsey Russell has offered to collect it. Erection of the tree will take place at 10:00 am on 4 December at the beacon.

Alex Bonsor suggested that Liscombe Park can provide the village tree next year. He also welcomed the chance to discuss the acquisition of the Oak trees.

Speed camera now fixed and working.

Ditch on Green needs digging out. TfB wants a soakaway but Council felt a better job needs doing.

Cllr Day suggested an activity for the children of 'Beating the Boundaries'. It was suggested that as the parish was a big it was not expected that the whole boundary was included. More discussion needed but will take place in the warmer weather.

Wing Woodland: meeting to understand plans, etc to be held in Wing Hall on 22 November. Cllr Wright will attend.

New streetlight required for corner of High Road and Stewkley Road by The Forge as it is very dark at night in that area. Possible use of s106 monies for this project. Area needs a survey for best location.

Womens' Institute News

The November meeting of Soulbury W I was held in the Clubroom on Tuesday, 8th November 2022. The meeting opened with the singing of Jerusalem, and President Gay welcomed all members present.

Birthday wishes and a small gift were given to Daphne Reeves (94!) and Rosemary Fopp.

Members were thanked once again for their generous donations to the LB Food Bank and the Salvation Army Children's Christmas gifts campaign.

The Christmas Card charity this year will be Cancer Research in Memory of a member who recently lost their fight against this dreadful disease. Members are asked to make a donation in lieu of giving Christmas cards to each other if they wish. A collection box will be available at the December Social meeting.

As November is our AGM there was no speaker.

AGM

In November we elect a new Committee. Gay stood down as President after many years of enthusiastic service and Margaret accepted the nomination to be our new president. All other committee members have elected to continue and retain their current responsibilities. We welcomed Emily as a new committee member.

Next years program of speakers was announced, and the 2023 members Program listing will be handed out at the December meetings.

The Minutes of the last AGM and also the Annual financial statement was then read, adopted and signed.

The committee then served the members with a lovely buffet of cheese and pate with crackers and French bread, along with wine and orange juice.

~oOo~

Members were reminded that in December we have 2 meetings.

Tuesday 6th is a combined committee and social meeting. *Committee members are asked to arrive at 6:45pm to do the monthly club business*, then the social meeting will commence as usual at 7:30pm. There will be Festive wreath making for those who have pre-ordered their wreath bases [remember to bring your own foliage etc] and a Secret Santa for any member wishing to take part, gifts to cost no more than £5. There will also be the usual Christmas refreshments and plenty of time to chat with friends.

Our Christmas Lunch is at the Flying Fox on the **13th December at 12:30pm**. Transport will be provided on a car-share basis so as to minimise the number of cars going. Members will be advised at the social meeting who will be collecting them. Many thanks to the members volunteering to 'taxi'.

There being no further business, the Raffle was drawn, and the meeting closed at 10.00 p.m.

Soulbury Millennium Green

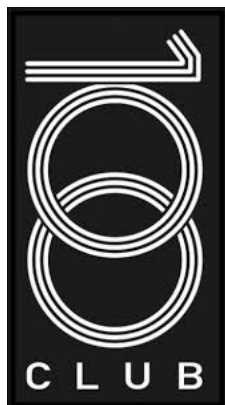

The Millennium Green is very wet at present! It has been raining all the morning on and off and still Richard is out in all weathers clearing leaves today. The amount of work that man puts in is amazing. I just hope that the dog walkers and other users appreciate it all. Having said that, both Nigel and Yours truly have been in the container this very afternoon trying to sort out the marquee poles and the damage done to them at the last event, by the rain. It looks like we may have to bite the bullet and source a new one for next year, but we shall see what we can salvage. The trees in the orchard will need pruning at some time during the winter, so if you have the knowledge and would like to lend a hand, we would love to hear from you. In the meantime enjoy the Green and don't forget to pick up after your pooch. Thank you.

Marquee for hire

Have you considered using the Soulbury Millennium Green for events and functions? There are many facilities on the SMG to make your event a success which includes a 12m x 6m white marquee. To hire this marquee the cost is £150 per event. So please consider the SMG for parties, children parties, birthdays, barbecues, wedding blessings, etc. Contact Alan Stevens or Wendy Taylor to discuss.

For the hire of marquees for functions at other locations, please call Alan Stevens to discuss the cost and logistics.

Meet your Parish Council

On 13th January 2023 the Parish Council is holding a 'Meet your Parish Council' evening commencing 7:30 pm in the Parish Hall.

This is to be a Cheese and Wine evening and it is hoped lots of you will attend. The Council need your views on what we are doing, what we could be doing and any ideas for projects which will benefit the parish, not just the village. This obviously includes hamlets and villages further from Soulbury itself like Hollingdon, Chelmscote, Stockgrove and Liscombe.

We would also like to see members of the various clubs, church groups and societies associated with Soulbury so please pass the word around when you next meet in order for you to join in.

The Coronation

As you are all, no doubt, aware there is to be a coronation in 2023. HRH King Charles III will be crowned on 6 May 2023.

The parish intends to celebrate this with an event similar to that which we enjoyed on the 5 June 2022 for our late Queen's jubilee. Again, the parish would like some hands-on help please.

To this end, there is an inaugural meeting of the Soulbury Dream team in The Boot at 7:30 pm on 1 December 2022. Please come and join us. Many hands make light work and many brains come up with original ideas on how we will celebrate.

As yet, there has been no communication from the Pageantmaster Bruno Peek as to whether there will be any beacon lighting so for now we are considering our celebration to be during the afternoon of 6 May so everyone can watch the event on TV in the morning.

Thames Valley Police Releases Half Year Statistics With Nearly Half A Million Reports from The Public

As part of Thames Valley Police's commitment to give the public an insight into its work, today (28/10) the force is releasing statistics on its activity over the six months 1 April to 30 September 2022.

This period saw the force undertake one of its largest and most significant operations in its history, with more than 2,500 police officers and staff policing the committal service in Windsor of Her Majesty The Queen. Over the six months, the force policed high-profile Thames Valley events including Royal Ascot, Henley Regatta and Reading Festival.

Over this time, the force, which protects communities across Berkshire, Buckinghamshire and Oxfordshire, received almost half a million contacts from public, attended almost 500 incidents a day and made 15,000 arrests; 30% of these arrests related to domestic abuse.

We are a small, family run farm with animal welfare and quality at our heart. We specialise the finest rare, breed pork from traditional, rare breed, pedigree pigs. All our animals live free range lives with all (and more!) that they need to be fulfilled. Our pigs are traditional and slow growing to produce the finest pork. Our meat, eggs and honey taste how food should taste!
