97/24	Environment	
	<p>a. Fountain Documents now sent to Land Registry, solicitor warned it could be a long wait.</p> <p>b. Allotments New fencing with no gate to the allotments has now been erected so it was decided that a letter need not now be sent and the matter is closed.</p> <p>c. Millennium Green Soulfest a resounding success. Returned to being a family event. Many compliments. AGM this month - Nigel Kemal and Wendy Taylor reelected as Chairman and Secretary/Treasurer respectively. Circuitous pathway around the green to be decided so the less abled and those using the area in wet conditions can see more of the area. Semi permanent concrete plinth with posts over which tenting can be added for use as a bandstand is being planned. A gate has appeared in the fence row giving access to the SMG from a private garden. Cllr Kemal will have a walk in that area to ensure no-one else has access. A letter is then to be written to ask for the gate to be removed. Garden rubbish appeared and placed in a heap to burn without the permission of the SMG.</p> <p>d. DDay 80 celebration - big success, beacon lit at 21:15 in line with national timings, all food and beverages made to recipes of the time. Many compliments.</p> <p>e. Childrens play area, Mount Pleasant - Thursday 18 July it will be rolled, hired in plant insurance acquired.</p>	Cllr Kemal

	<p>g. Email received from Hollingdon regarding overgrown footpath. By coincidence email received from Bucks Rights of Way giving details of those responsible so this is to be given to Hollingdon.</p> <p>h. Email received regarding procurement of poppy wreaths for November. Cllr Rowe has dealt with this. However there is a slight increase in price. Cllr Rowe will confirm to the Clerk what this is.</p>	Cllr Rowe
99/24	Councillors Open Forum	
	<p>Childrens play area in Mount Pleasant is a 'No Dogs' zone with plenty of signage. However, dog poo is still be found in the dustbin on site. Larger signage to be designed.</p> <p>Huge safety concerns expressed regarding the non cutting of the grass verges to roads and junctions. There is a particular issue with the bends after the fountain going towards the bypass where it covers the chevrons. A member of the public thought she put this on FixMyStreet when raised at the last meeting. Post meeting note: MOP checked she did this, she had and did it again and received a note following morning that it will be done in the next 10 days.</p> <p>Cllr Stevens commented on the latest RoSPA report and items be looked at.</p>	
100/24	Public Participation	
	<p>MOP raised the issue of payment of the parish hall cleaner. He commented that she does a good job and asked on what basis she is paid. The Clerk took over payment to her and was told what to pay. Cllr Rowe who is/was on the village hall committee wasn't clear so the Clerk offered to discuss this with the cleaner so we can be sure she is paid appropriately.</p>	Clerk
