Soulfest 2026

This year's event took place on 20th June at Soulbury Millennium Green and provided another exciting celebration of outstanding live music from a wide range of local acts enjoyed by many local. Thanks to the bands and many people involved in making this another successful event.

Funds raised from this event are used for essential upkeep and maintenance of the Soulbury Millennium Green (SMG), which is an important and much-loved green space accessible to all.

Soulbury Millennium Green – June Report

June has been a very busy month for both the SMG Management Committee & the Soulfest 2026 Planning Sub-Committee members, finalising our preparations for Soulfest 2026. One major problem we encountered this year was the fact we were unable to attract a trained first aider to commit to attending the Soulfest event date. Our efforts to attract first aiders from professional bodies were all prohibitively too expensive. Fortunately, two weeks beforehand Carla managed to identify a First Aid Training company to train a minimum of five persons providing certification for three years, for £85 each, with a minimum charge of £425. Training took place on Monday 15th June at the Parish Hall commencing at 10:00 am and running onto 6:30 pm! It was a very condensed, intense and well organised course run by Isabelle. The result is we now have ample trained & certificated First Aiders in our community to meet all our risk assessed events for the next three years.

Our Soulfest Planning meeting was largely taken up with the final manning requirements, logistics, and ensuring we cover all necessary requirements for providing our Soulfest attendees with a safe, comfortable and good entertainment event. Plans for additional curry & chips being offered were dropped, as three of our usual catering volunteer staff were not available for this event.

The SMG Management meeting approved the previous month's minutes and Nigel reported the current bank balance as £10,729.93 with petty cash still at £49.01. We had received £10.00 from Bucks Lottery. It was also discussed that we should investigate setting up and moving some of our funds into a separate account linked to funding projects. Having three named trustees was also a requirement requested by many funders we have applied to. With having three banking signatories previously reported, Alan agreed to investigate these requirements with Barclays Bank & Charities Commission.

Project Funding:

With the reported new requirements from funders, we will continue seeking appropriate funders to supply development project funding, which will be an on-going exercise by the Funding Sub-Committee.

Events:

Soulfest 2026 – Saturday 20th June: It was agreed to cover the cost of a First Aid Training Course at £85.00 per head with a minimum of five required to run the all-day course on Monday 15th June at the Parish Hall. This will future proof us for all events for the next three years. It is hoped the Parish Council will fund Vic & Nigel's fee as Parish Councillors attending. Vic to handle having six sum up/Square devices for electronic payments, with Alan providing five money boxes stored with him. Nigel to obtain Accounts petty cash money box from Erica and organise cash floats from Barclays.

Wine Tasting Night – Proposed date 3rd Oct @ 7:30 pm: Details to be advised. Paul agreed to investigate further with Majestic Wines to see which wines & regions could be presented.

Fireworks Night – Saturday 7th November: Details to be advised. It was reported that our Pyro-technician usually used on our Fireworks Display has moved out of our area. It was agreed for Nigel to see if Richard Caplan & Andrew Wood are willing to undertake Firework training paid for by SMG.

Dog Walkers: Unfortunately, this topic has come up yet again with a very unsavoury incident occurring during the site preparations for Soulfest. During the grass strimming operations, two members of the Community Payback Team encountered dog excrement resulting in themselves & their equipment being heavily soiled. This is a severe health hazard resulting in the supervisor calling a halt to the work and organising a full sweep of the work area with 12 bags of dog poo being bagged up! It is against the law not to clear up your dog's business and if this current state continues, we will have no hesitation in closing the SMG site to **all dogs**, just because some dog owners are acting irresponsibly.

100 Club & Draw: June Draw Winner is No 59 – Dillon Patel-Ridley.

SMG Management Committee: We hope some in our community will consider joining our ranks by serving as committee members in developing the SMG with maintenance tasks and helping organising fund raising events to keep the green going. Please attend our next meeting which is our AGM.

The next SMG Management Committee meeting is an open meeting inviting public participation for our AGM on **Thursday 9th June 8:00 pm at the Parish Hall.**

All Saints' Church, Soulbury

This community has been worshipping at All Saints' Church on the High Road for 800 years.

All are welcome to worship on the 1st, 2nd, 3rd and 4th Sundays of each month, at 11.30am. The Church also welcomes families at important times in your lives, such as marriage, baptism and funeral services – speak to Rev. Dom Wright to find out more.

Your donations, regular or one off, are gratefully received, to help keep our Church open for this and future generations.

Letter from our Team Rector (Revd. Dom Wright)

Outsider on the Inside

'Do not press me to leave you or to turn back from following you! Where you go, I will go; where you lodge, I will lodge; your people shall be my people, and your God my God. Where you die, I will die—there will I be buried. May the Lord do thus and so to me, and more as well, if even death parts me from you!' Ruth 1:16-17

The short book of Ruth, near the start of the Bible, is one of the most heartwarming and romantic stories in the Old Testament. It opens with a family reduced to ruin by famine in Bethlehem, more than a thousand years before Christ. A woman called Naomi moves to Moab — a different country with a different religion — with her husband and two sons.

Traces of ancient Moab survive in the modern city of Madaba in Jordan, where I spent a couple of fascinating days in 2023. At the top of the hill, on the site of the city's ancient citadel, stands a Catholic church dedicated to St John the Baptist, with magnificent views from its tower and caves beneath. In one of these caves was a veiled model standing outside a tent — a representation of Moab's most famous daughter, Ruth.

The story of Ruth is remarkable, and its main characters are women. It's quite a racy tale too — if I just say that the word for "feet" in Hebrew is a euphemism, you'll have to read the book for yourself! But that's not why it's so shocking. Against the backdrop of a hostile biblical attitude towards Moab, where Israelites were forbidden to intermarry, a foreign Moabite woman turns out to be the heroine. Naomi's sons have married Moabite women, but when her husband and both sons die suddenly, leaving her destitute, she urges her daughters-in-law — who have no children yet — to return home. Ruth alone pledges her faithfulness: "Where you go, I will go... your people shall be my people, and your God my God."

Ruth follows the destitute Naomi back to Bethlehem, to a country she doesn't know, risking exclusion. Naomi believes her suffering is God's punishment. When friends and relatives greet her after so long away, they ask, "Is that you, Naomi?" But she replies, "Don't call me Naomi. Call me Mara (which means bitter). For the Almighty has dealt bitterly with me."

But the story isn't finished. After relying on charity for a while, Naomi sets about finding Ruth a new husband — a businessman and distant relative called Boaz. It's not a conventional match: this is Ruth's second marriage, and Boaz is no longer young. Yet it's a love match that brings joy to the whole community. From this controversial union, the most famous Israelite king of all, David, will be born a couple of generations later. And some twenty-eight generations after that, Bethlehem — and the name 'Mara', or Mary — will feature in the Bible again. Ruth the outsider becomes an ancestor of Jesus.

The gospel is a story of people like you and me, who sometimes find ourselves outside, feeling abandoned or judged. That can be the very moment of salvation — through Jesus, who was himself outside, abandoned and judged, when he died on the cross.

All Saints Church – Soulbury (May & June).

As there was a print error last month resulting in the content of April's Report being republished again as May, we have used the correct report with additions to rectify the situation (note the printing error did not occur in the online version only the hard copy).

We are very pleased to report that Scott Isaacs, our local villager who took part in this year's Boston Marathon in the USA has raised £1260 through charity sponsorship for the Church. He completed the marathon course in a very respectable 3 hrs 16 mins. Thank you Scott and to all who supported him with sponsorship donations through his GoFundMe website. Also, many thanks to Jax & Tony, Jackie & Julian and all other members in the Friends of All Saints Church for organising a very successful Soulbury Open Gardens event. Special thanks also go out to all those that helped make this a great fund-raising event. All the bakers providing the marvellous home baked cakes, helpers, servers, traffic management volunteers and all who donated raffle prizes & plants for sale etc. Not forgetting all those who laboured to open up their gardens for this occasion, trying to ensure their gardens were at their pristine show best. The event even received high praise from Greg Noble, writing in the LBO Villages section on his report for Stoke Hammond! The event raised an amazing £7,374 towards Church funds. Well done all & thank you to all who supported us with this event.

We are pleased to report the good news of an addition to our Team Vicar's family household with the birth of Iris Lyon Tupman on Thursday 4th June. Laura & Will are overjoyed with Iris's arrival and I understand both Iris & Laura are doing well. I'm sure you will all join with us in wishing them all well as they adjust to family life together.

Parish Council News

The meeting of Soulbury Parish Council was held on Monday 15th June 2026 at 7.30pm in the Parish Hall. There was 1 members of the public (MOP) present. Apologies received from Cllrs Cross and Jordan. Minutes of the annual meeting on 18th May 2026 were agreed as correct. Matters arising: none

All monies paid and received noted by all. A further £40 received for the hire of the hall, VAT refund of £3,739.87 received, further expenditure of £90 for training and £325.71 to British Gas £72.23 to Eon, reimbursements to Cllr Wright of £43.60 and £14.00 and to Susan Green of £51.45 since the agenda was created. Invoice from internal auditor of £120.00 has been paid.

Planning:

26/03949: The Laundry, Liscombe House, Soulbury, LU7 0JN - Change of use of room known as Office 3 from ancillary residential use as a home office to main dwelling house (Use Class C3) to a mixed ancillary residential use to main dwelling house (Use Class C3) and a pilates studio (Use Class E). No objection.

Green Farm: planning permission has been granted at last with few conditions. However, despite all the issues around the Biodiversity Net Gain and the amount of money Planning were demanding for this, it will now be just one of these few conditions.

Environment

a. Fountain No further information from Land Registry.

b. Allotments Cllr Kemal will talk to Jim Dawson to ascertain the routing of the water system and draw a plan of the piping so the 'health' of the system can be maintained.

c. Millennium Green Bank balance as at 15 June 2026 was £10,335.36. For future Cllr Kemal will present a list of receipts and expenditure.

Soulfest is 20 June 2026. First Aid training for 5 people to meet the conditions of insurance took place on 15 June 2026.

SMG advised by a funder, we should have 3 trustees. This needs looking into as this is first time SMG has been presented with the issue. Cllr Stevens is going to look into this.

Dog poo is becoming an issue again. A campaign highlighting the issue will be put in place to include, but not limited to, dogs being on leads all the time. If this does not improve the situation dogs will be banned completely from the area. The smell is abhorrent and is an unbelievable health hazard particularly for children.

County Councillor

Cllr Jordan was unable to attend, Clerk read out her AGM report which will be added to the website.

Correspondence and parish matters:

a. LED lantern in Stewkley Road - Avidety replaced the electricity pole on behalf of UKPN but broke the LED lantern bracket. They contacted the Clerk asking who owned the streetlight and she responded suggesting UKPN did. However, nothing has been heard since so the clerk was asked to chase. Post meeting note: a fuse box is to be fitted to the pole and livened up by Avidety so UKPN can attach the lantern. Fuse box to be fitted Monday 22 June. Avidety will try to ascertain date for fitting the lantern. Clerk stressed the importance as it presents a health and safety hazard without the lantern.

b. Dogs in parish hall. General consensus was that if food is being served at an event in the parish hall dogs would not be allowed in. Otherwise, there is no reason to exclude dogs in the hall. They must be under control and on a lead. It was noted that this does not apply to assistance dogs. Council did not understand why this topic was raised as there has never been a need to discuss it. A notice will be put up in the hall.

c. It was agreed to get the outside walls of the hall jet washed after Soulfest 2026 as the event is taking all resources at the moment.

The next Parish Council meeting will take place on Monday 20th July 2026 at 7:30pm in the Parish Hall.

Meeting dates for 2026: 21/9/26, 19/10/26, 16/11/26, 21/12/26

Contribution from Callum Anderson MP

Hi there,

I hope you are all enjoying the start of summer across our towns and villages.

It has been a mixed couple of months for local transport news. It is excellent to see the Bletchley eastern entrance finally completed – an issue I have been campaigning on since I was elected. This is a real step forward for passengers and station access. I will continue working with colleagues to maintain momentum on East West Rail, which, as you will know, is vital for the future success of our area.

However, the latest update on HS2 – including a further delay to at least 2039 – underlines years of failure, rising costs, and disruption that communities in north Buckinghamshire have had to endure. I will not pretend this is anything other than a disappointment, and I know the Department for Transport and those involved are working hard to address the consequences of decisions made by previous governments.

I remain deeply committed to protecting our rural life and agricultural sector. Last month in Parliament, I raised the issue of rising fertiliser costs with the Department for Environment, Food and Rural Affairs – an issue I continue to hear about from local farmers who are under significant pressure from rising costs and reduced resilience.

I've also written to more than 500 constituents who contacted me about online safety and the impact of social media on young people. Thank you to everyone who shared their concerns and experiences – your input helped shape my response to the Government's consultation. I welcome the Government's plans to strengthen protections for children online, including stronger safeguards on social media. I will continue working with local families, schools and ministers to help ensure every child can learn, connect and thrive safely online.

As ever, thank you to everyone who has shared their views. I will continue working hard to represent our communities across Soulbury.

Callum

Soulbury WI news for June 2026

The meeting opened at 2pm with the singing of Jerusalem.

We then welcomed Robert Brewer to give his talk – My life as a Film & TV extra/anyone can do it!

A fascinating and engaging look behind the scenes of the making of TV & Films – Robert steered us through his world of auditioning, through costume & make-up and ultimately being on-set of some very well-known films and TV programs. His appearance on-screen was often only minutes and there seemed to be a lot of waiting around and drinking tea with his fellow ‘extras’ but this can yield the opportunity to get a small acting part when a minor actor fails to turn up. Amongst his fleeting appearances he could count to his credit Dumbo, No time to Die and The Batman, plus numerous TV and streaming service films and series. A good agent is key to getting the kind of work you are interested in, but with this area being so popular for filming there is a good choice of opportunities close to home. So if you like dressing-up, drinking tea and meeting TV and film celebrities this would seem the job for you!

WI business was then discussed

In July, our normal meeting on **Tuesday 14th** will be held at the home of a member and everyone has been asked to bring along a plate of food for the afternoon tea.

This years’ outing is on **Wednesday 22nd July** and is a ride on the Leighton Buzzard Narrow Guage Railway, followed by afternoon tea at the CuriosiTEA Rooms at Pages Park Station. Transport will be arranged for those requiring it. There are still a few places left if anyone who has yet to put their name down would like to join in. The price is £30 for members and £33 for their guests. Members are reminded to please pay if they have not yet done so.

There is no meeting in August.

At Septembers meeting we will welcome Morgen Bailey – **‘Morgen with an E’** is an author, speaker, tutor, editor, and podcaster. Morgen's fiction books include crime and mystery novels, and short story collections Morgen’s fiction books include crime, mystery and women’s novels and short story collections. They are mostly set against a Northamptonshire background, whether there is crime involved, a dog-detective that can talk, or a serial dater on a mission!

Tea and refreshments were served.

The raffle was drawn and the meeting ended at 4:15pm.
