## Your local Accounting Team

## Soulbury Millennium Green – September Report

After the usual business of noting member apologies and agreeing previous minutes, Scott recapped on the matters still outstanding. We had received £100 compensation from Barclays Bank for miss-handled mandate changes and communication issues, although Paul is still awaiting banking access to our account & card. The two new dog poo bag dispensers & bags had arrived and have been erected at both ends of the SMG site. "New Fairy Dog Poo signage" was agreed to be procured using artwork supplied by Heather and printed onto ibond material providing better longevity. It was agreed to purchase six which could be used throughout our village also and Nigel was tasked with requesting our Parish Council to satisfy the costs. Alan is still to investigate the Trust Document whilst Nigel is still to resolve the detachment of the accounts software functions from the attached secretarial side, seeking IT assistance.

Treasurer's Report: Nigel presented the monthly financial report, including August's Payments & Receipts summary which had been circulated to Committee members prior to the meeting.

Bank Account - £31,260.25

Petty Cash - £49.01

Bucks Lottery – No August payment received as meeting held early in month.

Nigel agreed to continue circulating the Committee with monthly financial Payments & Receipts summaries providing financial transparency in line with Parish Council practice.

### SMG Development & Enhancements:

With Scott previously allocating areas of the SMG to individual committee members to view and report back any defects and improvements that could be made, individual feedback was reported.

No 1. Entrance (Alan) – New fresh signage at the entrance is to be a priority to promote a positive image of the site. The small public access gate is hard to open & close and needs to be fixed.

No 2a. Orchard (Paul) – The orchard fruit trees need pruning and beds weeding. Paul to undertake with community help. Surrounding log sides & identifying posts that need renewing due to rot and degradation. Payback team will undertake when materials made available.

No 2b. Playground Area (Erica) – Large holes & cracks in the ground arising from recent hot drought conditions needs urgent attention. Broken wooden slats on play furniture, protruding screws and bolt protrusions require immediate attention and Nigel was tasked with using the Community Payback Team to address these issues. A new bench for carers would improve the facility.

No 3. Hard Standing & Top Meadow (Nigel) – New bench table furniture for hard standing to provide greater hospitality. Seeds to be sowed for wildflower meadow to germinate, plants planted to form a children's trail on right side of pathway using sensory plants creating interest. Possible pagoda with vines & other drought tolerant plants to be considered now due to climate change.

No 4. Amphitheatre, Sleeper Benches & Woodland (Geoff) – One timber sleeper split and may be reversed if underside ok or replaced. Timbers dried out in sun & require re-oil with Danish Oil. Wood structures need preservative treatment to enhance durability. A Skip and general tidy up is needed with disposal of old BBQ etc. A work list to be provided to Richard & work crew.

No 5. Remembrance Garden (Sharon) – Suggested we should also consider having a memorial area there for children to remember departed pets, friends & relatives. This can take the form of a bench or tree where children can place name painted pebble stones or hearts to remember those departed. A Bug hotel & wishing well was also suggested.

No 6. Pond, Woodland Walkway, Work Area (Scotty) – The Pond badly needs complete liner refurbishment. Some memorial plaques have degraded and around the site and need refurbishment or renewing. We need to draw up a site utility plan showing all utilities and their routing around the site. Establish plaque/signage showing areas of site interest.

### Project Funding:

At our recent Funding sub-committee meeting Erica reported that we have recently received some positive indicators from two of our main funding applications. Whilst we await confirmation of a positive outcome, we look forward to also receiving similar indicators from our third remaining funder application. We hope to announce some positive news with funding applications in the near future when grant decisions are made during the latter period of October.

### Events:

**Wine Tasting Night** – Saturday 3rd Oct 7:00 for 7:30 pm start @ Parish Hall:

6 wines - 2 sparkling (1 white and 1 rose), 2 whites and 2 reds.

Nibbles - cheeses, charcuterie, olives, breads, dips.

Price - £20.00 per person. Tickets limited to 40 due to Hall constraints and need to be pre-booked in advance through the SMG ticket source link as follows: <https://www.ticketsource.com/soulbury-millennium-green>

We will be organising a gratuity collection for the Majestic Wine presenter and also running a raffle featuring mainly wine prizes, so would remind those attending to bring along some appropriate cash.

**Fireworks Night** – Saturday 7th November: It was agreed at the August meeting to broadly keep our prices and timings similar to last year's event with a couple of minor tweaks on pricing. Our event will be utilizing Low Noise Level Fireworks again and publicity reflecting this when advertising the event. Advance ticket sales through Ticket source are: Adults - £8.00 each, Children £3.00 each. On the day Entrance Gate Prices are: Adults - £10.00 each, Children £3.00 each.

We are seeking funds towards the extra costs associated with the quieter fireworks for this event and welcome donations from locally based/owned businesses or individuals.

Donations can be made direct to Soulbury Millennium Green account as follows:

Account Name: Soulbury Mill Green

Sort Code: 20-57-44

Account No: 73542793

Reference: Fireworks

### 100 Club & Draw:

September Draw Winner is No 53 – Kim Gardiner

The next SMG Management Committee meeting is on Thursday 1st October 7:30 pm at the Parish Hall.

## All Saints Church – Soulbury September Report

I am pleased to report that All Saints Church, Soulbury actively participated in the sponsored Ride & Stride event this year on behalf of the Buckinghamshire Historic Churches Trust on Saturday 12th September. Our Church opened just before 7:00 am with Daniel & Ella providing early morning breakfast refreshments to the nine participating walkers & three dogs from our Church Benefice and Clergy, including two from our own congregation. After Dom led us in a short prayer, we set off around 7:30 am, walking the Bucks Cross country pathway route through to Hollingdon and onto St Michael & All Angels Church, Stewkley. Here we received a guided tour of the outside historic church features by Dom before receiving hospitality refreshments. Our route carried on across country and fields to our next stop at St Nicholas Church, Cublington. My involvement ceased at this point, as I was required to relieve Chris & Brenda back at Soulbury in manning duties, but I understand Tony, Malcolm, Dom & Cassa (our Arch Deacon) went on to complete the pilgrimage to all eight churches in the Cottesloe Benefice.

Thanks to all who participated in this event who walked, rode, opened up and manned churches, providing refreshments etc. Also, thanks to all sponsors who donated funds to the Buck Historic Churches Trust charity, of which 50% will come back to the participating churches providing additional welcome funding.

Soulbury Breakfast: The Soulbury Breakfast in September raised £465 for the Friends of All Saints Church and we thank our loyal village members for their continued support and all who assist in organising this event. The next Soulbury Breakfast will be on Sunday 29th November.

Pet Service: On Sunday 11th October we will be holding a special Pet Service instead of our normal communion service at 11:30 am. We invite all in our village with pets to attend this service gathering and hope to make it a special fully inclusive family occasion.

Jane Luxton & Nigel Kemal - Churchwardens

## Soulbury Village Cricket Club

We played our last game of cricket on Sunday 20th September at home to Aspley Guise. It was a terrific game with Aspley winning off the last ball of the match. This season we played 14 mostly dry and sunny games winning 7, tying 1 and losing 6. Matt Thrower and Austin Jones both scored centuries and both scored over 500 runs. Our younger bowlers did very well with Nathan Thrower and Harry Dixon taking 25 wickets between them. Unfortunately the reliably entertaining Cricket Club versus Soulbury Village game was rained off on the only remorselessly wet Sunday of the summer. We will schedule the match in 2027.

Next year our season will start at the end of May and we plan to do a race night before then. Details will be in the Newsletter and the SVCC Facebook page.

Many thanks to everyone who has supported us this year and we look forward to seeing you in 2027.

All the best, Adrian Hunt,

SVCC Chair

## Soulbury WI news for September 2026

The meeting opened at 2pm with the singing of Jerusalem.

WI business was then discussed

We then welcomed Morgen Bailey – ‘Morgen with an E’ is an author, speaker, tutor, editor, and podcaster. Morgen’s fiction books include crime and mystery novels, and short story collections. Morgen’s fiction books include crime, mystery and women’s novels and short story collections. They are mostly set against a Northamptonshire background, whether there is crime involved, a dog-detective that can talk, or a serial dater on a mission! She also recounted her journey into being an author and her work as a proof reader. Morgens books were on sale after the meeting closed.

Tea and refreshments were served.

Next month’s speaker is Sara Shelby and her talk entitled ‘Ten Years Inside’ about her work in the high security prison at HMP Grendon. Teaching in the classroom and on the wings and taking the prisoners out in the grounds for garden/landscape work.

The raffle was drawn and the meeting ended at 4:15pm.

## Parish Council News

---

The meeting of Soulbury Parish Council was held on Monday 21st September 2026 at 7.30pm in the Parish Hall. There was 4 members of the public (MOP) present. No apologies received. Minutes of the Parish Council meeting on 20th July 2026 were agreed as correct. Matters arising: Replacement of the saplings along High Road/Leighton Road to Soulbury Road junction: it was decided to leave the saplings for now and readdress the situation in the Spring when there will be a better idea of which saplings survived the summer.

Because of the hosepipe ban, cleaning of the exterior of parish Hall will be delayed until the ban is lifted.

Regarding alerting FixMyStreet to the drainage problem at the junction of the Gt Brickhill Road and Stoke Hammond Road, we have been advised that the water does not contain chlorine so has nothing to do with Anglian Water. Clerk will contact Highways to divert what is believed to 'spring' water off the road to prevent accidents occurring in the winter due to ice forming.

All monies paid and received noted by all. A further £20 received for the hire of the hall and a DD for street lighting of £65.71 was taken since the agenda was created. British Gas advised that from 1 October 2026 VAT will be reduced to 0% until 31 March 2027.

### Planning:

26/07079: Rislip Farm House, Great Brickhill Road, Soulbury, LU7 0DR - Listed building consent for proposed air drain to perimeter of dwelling.

26/06742: 2 High Road, Soulbury, LU7 0BX - Dead Elder - remove to ground level and Common Ash - coppice full tree to height approx 5-6m. No objection.

26/06530: Rislip Farm House, Great Brickhill Road, Soulbury, LU7 0DR - Listed building consent for proposed single storey rear extension, internal alterations, insulation, under floor heating and additional roof lights.

26/06529: Rislip Farm House, Great Brickhill Road, Soulbury, LU7 0DR - Proposed single storey rear extension, internal alterations, insulation, underfloor heating and additional roof lights.

26/06528: Rislip Farm House, Great Brickhill Road, Soulbury, LU7 0DR - Listed building consent for construction of a new barn for garage & workshop use, ancillary to residential use.

26/06527: Rislip Farm House, Great Brickhill Road, Soulbury, LU7 0DR - Construction of a new barn for garage & workshop use, ancillary to residential use.

26/06321: Chestnut Cottage, Stockgrove Park, Soulbury, LU7 0BB - Crown lift one Cedar tree to approx 10m. By removing lower branches to provide increased clearance from the garden area and adjacent property. No objection.

26/06245: Liscombe Business Park, Soulbury, LU7 0JL - Installation of 2no. double paddle courts and car parking. No objection but have concerns if it increases traffic along entrance road which is already too busy.

26/05497: Rislip Farm House, Great Brickhill Road, Soulbury, LU7 0DR - Listed building consent for the replacement of black uPVC rainwater goods with black half round aluminium rainwater goods.

26/05502: 27 The Green, Soulbury, Bucks LU7 0DD - Porch installation. No objection.

26/05499: Rislip Farm House, Great Brickhill Road, Soulbury, LU7 0DR - Listed building consent for a bio-mass boiler and associated flue.

It was agreed by all that all applications related to Rislip Farm would be considered together as Council do not have the knowledge regarding Listed Buildings for any comments to be valid. Overall, there is no objection to any of the applications.

### Environment

#### a. Fountain

Solicitor wanted a supplementary letter detailing all that had been done associated with the fountain to accompany the next application for possessory title. Clerk provided this on 11/9/26. Received acknowledgement but nothing more.

A MOP suggested that the Fountain should have a fence of some sort to designate the area considered to be part of the fountain as any visit from Land Registry would need see the area of land for title rather than just the monument. Cllr Wright will organise this.

#### b. Allotments

Considerable discussion took place, outcome of which was to call a meeting of plot holders to discuss the charging for water, how it is used and responsibilities of renting a plot, ie lighting fires. Clerk to contact Allotment Co-ordinator to arrange.

Clerk also put forward the idea of being a member of the National Allotment Society and since plot holders can be members as can the Council it was decided that this could also be discussed at that meeting.

#### c. Millennium Green

Fundraising for SMG improvements is proving to be successful - credit given to the committee for their efforts with this. Wine tasting evening on 3/10 and Fireworks display on 7/10 are the next two fundraising events. Bank balance as at 21/9/26 is £30,640.02.

Dog poo situation is not improving so signage has been acquired to raise awareness.

County Councillor

Cllr Jordan's report will be added to the website.

Item 61/26 on the agenda was discussed here as Cllr Jordan was present and gave her input. It was suggested that we do not discuss anything with the developer and that an unofficial chat with Stoke Hammond PC be arranged. Clerk to contact their Clerk to arrange.

General discussion about the number of power cuts in the village - Cllr Jordan will look into this.

Cllr Jordan was asked about the acquisition of free trees (Bucks Council wants to plant a tree for every person in Buckinghamshire but are in need of land so want people to apply for them. They are free, Bucks Council will plant and look after them.)

### **Correspondence and parish matters:**

A swing seat in the Mount Pleasant children's play area is broken and needs replacing.

The area between the church and the fence of the Old Vicarage needs clearing and strimming and asked if the Community Payback teams could get involved with this. Cllr Kemal said he would contact the team leader and try organise some extra days for them to attend.

LED lantern in Stewkley Road - Avidety advised they have received all the equipment for replacing the lamp which is being built as we speak and hopefully it will be in position on 22 September 2026. Post meeting note: lamp is now in position. However, Council was informed by fitting company, Avidety, that the lamp bracket belongs to the parish, that it is our responsibility to maintain it. Clerk queried this asking for details of this in writing as Council had no idea this was the case. If it is we have 22 other brackets to consider on UKPN poles. The H&S aspect of climbing ladders to inspect also concerned the Council.

Cllr Wright and the Clerk attended a very good course on the use of AI. It became apparent that we need an 'Acceptable Use Policy' for the Council. Clerk has received a template for this and will complete it for next PC meeting.

Martyn's Law: Clerk received a 'decision tree' to ascertain if the parish hall is subject to this law and confirmed that it is out of scope.

Concern was raised that people are parking cars in front of the gates to the Mount Pleasant children's play area preventing access of mowing machines, equipment for maintenance and preventing bins being moved so they can be emptied. Firm measures, such as clamping, need to be in place but initially more signage will be obtained highlighting the issue. Dogs are also being allowed into the grounds which are forbidden (health issues for children) so dog 'poo' signs will be erected.

Cllr Rowe advised that there had been a theft of a 4x4 in Dean Farm Lane. Police did house to house in the area asking for any available CCTV.

**The next Parish Council meeting will take place on Monday 9th October 2026 at 7:30pm in the Parish Hall.**

**Meeting dates for 2026: 16/11/26, 21/12/26**

---

## **Soulbury Breakfast**

---

Thank you to everyone who came along to the Soulbury Breakfast on 20th Sept and a big thank you to the many helpers who make these events such a success. On this occasion £465 was raised for 'Friends of Soulbury' which raises money to help with the maintenance of the church. Around 85 breakfasts were served.

After a summer break the next breakfast will be on 29th Nov.

If you have not been before we welcome newcomers, give it a try.

---

## Letter from our Team Vicar (Revd. Will Lyon Tupman)

---

### Happy Halloween...?

Autumn is now in full swing – and if we hadn't felt it in the change of weather, one would only need to visit the shops to see all the seasonal gifts and decorations now in stock. Before we know it, our attention will be turned to Christmas – and our Ministry Team have already been busy planning our many special Services for the season!

But as well as all the sprightly santas, excited elves, ruddy reindeer and delightful decorations we now see on the shelves... there are also some scary skeletons, glaring ghouls and ghosts, plump pumpkins, and wicked wizards and witches joining them. Because there's another significant festival just around the corner: Halloween.

Halloween is a feast observed by many people. A feast of all things orange, with pumpkins as orange as the leaves, and where many little ones enjoy dressing up in all kinds of spooky costumes as they go trick and treating. But it is also a festival which divides opinions – especially Christians, who are often wary of the Pagan connotations it has. But does that tell the whole story? Halloween actually finds its origins in Christianity – and it can still be thought of as a Christian festival. The name "Halloween" is a shortening of "All Hallows' Eve", and is observed the night before All Hallows' Day – today usually known as All Saints' Day. On this major Christian Festival, and on All Souls' Day which follows the day after, the Church formally commemorates the saints, martyrs, and all the faithful departed. How might we approach Halloween today? Well, it presents us with a healthy opportunity to remember those who have gone before us, and to reflect on their good examples to inspire us in our own lives and practices today. What's more, the Church believes in the Communion of Saints: The belief that Christians today are in communion with those who have gone before us, all of us being united in our Lord Jesus Christ. This reminds us of a spiritual connection we still have with our departed loved ones – something we might treasure as we remember them, in addition to our special memories.

I wish you all a blessed season this Autumn. And for those who choose to celebrate... Happy Halloween!

## All Saints' Church, Soulbury

This community has been worshipping at All Saints' Church on the High Road for 800 years.

All are welcome to worship on the 1st, 2nd, 3rd and 4th Sundays of each month, at 11.30am.

The Church also welcomes families at important times in your lives, such as marriage, baptism and funeral services – speak to Rev. Dom Wright to find out more.

Your donations, regular or one off, are gratefully received, to help keep our Church open for this and future generations.

## Contribution from Callum Anderson MP

Autumn is here! But before I go on to discuss what's coming up for me as your MP, please indulge me as I look back over the summer months.

Summer has been a great reminder of what makes north Bucks such a wonderful place to live. From our vibrant towns to our rural villages, I have spent the last few months meeting residents, supporting local organisations and hearing about the issues that matter most to people across our area.

One of the highlights was visiting community groups and volunteers who quietly make an enormous difference every day. Whether at Buckingham Summer Club, the Stroke Support Group, the Frank Moran Centre or West Bletchley Community Centre, I was struck by the dedication of those who give their time to help others.

I was also pleased to celebrate the 25th anniversary of the Florence Nightingale Hospice Charity shop in Winslow. Since opening, the shop has helped raise more than £1.5 million for local hospice services, an incredible achievement made possible by volunteers and supporters. I even managed to give them a shout-out in the House of Commons recently, too!

Supporting local businesses and employers remains a key priority. During the summer, I visited firms including Bytomic in Buckingham and John Lewis in Bletchley, hearing about their ambitions for growth and the opportunities they create locally. I also visited Milton Keynes University Hospital to see the benefits of recent investment in healthcare facilities.

As Parliament returns, I have already been raising issues ranging from financial education and economic growth to devolution for the BLMK area, the Milton Keynes City of Culture bid and local justice services. I have also met with childhood cancer charities, the National Farmers' Union and a range of organisations championing important causes.

Thank you to everyone who has taken the time to speak with me over recent months, and I will continue reaching out to residents and businesses across the constituency. I look forward to continuing those conversations as I travel across the villages this autumn. It's places like Adstock, Soulbury, Tingewick and Gawcott that make our patch such a wonderful place to be.

Looking ahead, I am optimistic about what the coming months will bring. I look forward to the upcoming Budget and further measures to support working people and their families. I am also proud that the UK continues to play a leading role internationally, standing up for our values and working with partners around the world to tackle shared challenges.

I've returned to Westminster feeling incredibly energised about what we can achieve together.

If I can ever assist with a local issue, please do not hesitate to get in touch with me at [callum.anderson.mp@parliament.uk](mailto:callum.anderson.mp@parliament.uk).
