Soulbury Millennium Green – October Report

At our meeting held in early October it was reported that the two dog poo bag dispensers have now been installed at two ends of the green. These are intended for emergency use only, when dog walkers may have forgotten their bags and is not intended as free bag supply for all. We have similarly erected three “Dog Poo Fairy” signs to remind walkers of their social responsibilities when walking their dogs.

We have recently had to temporarily close the Playground area as the climbing frame supporting posts have loosened and sunk during the very dry summer. We expect to remedy this by the beginning of November. Other maintenance works are on-going with new posts purchased to replace rotted orchard identity posts when labour is available. Our priority now is to get the Bonfire and site ready for our final major fund-raising event of the year.

Project Funding:

As reported previously, we hope to announce some positive news with funding applications in the near future, when grant decisions are made during the latter period of October.

Events:

Wine Tasting Night – Saturday 3rd Oct

I can report a very successful event night held at the Parish with 32 tickets being sold. Credit to Geoff & Paul for organising this with 6 various Italian themed wines and a lovely food faire comprising charcuterie, cheeses, sourdough breads and various olives & dips. Charlotte, manager of the local Majestic Wine was present to guide us through the wines. The evening was supplemented by a wine raffle and a collection for Charlotte’s work in hosting us with her wine knowledge. The event proved to be a very well-liked by all who attended and we will certainly consider another in the new year. The event raised £188.08 towards SMG funds.

Fireworks Night – Saturday 7th November: It was agreed at the August meeting to broadly keep our prices and timings similar to last year’s event with a couple of minor tweaks on pricing. Our event will be utilizing Low Noise Level Fireworks again and publicity reflecting this when advertising the event. Advance ticket sales through Ticket source are: Adults - £8.00 each, Children £3.00 each. On the day Entrance Gate Prices are: Adults - £10.00 each, Children £3.00 each.

We are seeking funds towards the extra costs associated with the quieter fireworks for this event and welcome donations from locally based/owned businesses or individuals.

Donations can be made direct to Soulbury Millennium Green account as follows:

Account Name: **Soulbury Mill Green**

Sort Code: **20-57-44**

Account No: **73542793**

All Saints Church – Soulbury October Report

Our recent Pet Service was very well attended with around 35 attending + 8 dogs, 1 guinea pig and thankfully, just a soft toy snake making an appearance! Revd Pam led us in a light hearted, informal service when we gave thanks for our pet's contribution to family life, companionship and our personal well-being. Thanks Pam and all for a lovely service.

We are so sad to hear of the death of Ann Kynaston Weaver who recently passed away. Ann was a valued long-standing congregation member of All Saints Church and former resident of Soulbury at the Green. Our thoughts and prayers go out to all her family & friends.

On Sunday 1st November at 6:00 pm, Dom will be leading a special Benefice wide **In Memoriam Service at St Peter & St Paul Church, Wingrave with Rowsham** for all those that have lost loved ones during this past year throughout the Cottesloe Benefice. Others passed in previous years can also be remembered at this service with names being read. If you wish a loved one to be remembered during this service, please email the names of your loved ones to Dominic at teamrectordom@gmail.com. Should anyone lacking transport wish to attend, please contact the Churchwardens and we will endeavour to arrange lifts there and back for you.

Our Remembrance Day Service on Sunday 8th November will commence at 10:45 am at the War Memorial and follow on with a service in the Church. We hope you will stay & socialise afterwards when light refreshments will be provided (Tea, Coffee & Biscuits etc).

The next Soulbury Breakfast will be held on Sunday 29th November commencing at 9:30 am to 12:00 midday at the Parish Hall. Please support if you are able to, as the Friends of All Saints do great work in support of the Church.

Jane Luxton & Nigel Kemal - Churchwardens

Soulbury WI news for October 2026

The meeting opened at 2pm with the singing of Jerusalem.

WI business was then discussed

We then welcomed our speaker, Sara Selby, who following 20 years as a Police Officer, left at the age of 50 to explore a variety of other jobs. She became a School Teacher, and also qualified as a Landscape Garden Designer. In 2005 she joined the prison service, serving at HM Prison Grendon, a category "A" prison. She had an intensive period of training on the Psychiatric Unit. Although she was not scared by the nature of the prisoners serving their sentence at this particular unit, she was very aware of the dangers involved. She studied therapy to better understand how she could help the inmates. She was going to be working in the gardens of the unit, because of her training, and was trained to drive a tractor – this did however lead to problems. She crashed the tractor, which in turn meant the prison unit had to close because of the intensely unique systems which have to be applied in case of an incident in this high security unit. There were no mixed groups. She was designated Head Therapeutic Gardener, but despite the title, there was a prohibition against the use of water in the garden, as it could be used as a weapon! Prisoners were allowed to volunteer for certain therapies in the garden, which mainly consisted of aiding in the construction of pathways through the garden area, the use of shovels and picks but no actual planting of trees, shrubbery or flowers. She dealt closely with Band A prisoners, who were difficult long-term inmates. Her office was a mortuary on the site. One prisoner thought he could get a good report by telling about drugs which had been smuggled into the prison chapel, and violent exchanges between prisoners were certainly not unusual. After 20 years of this intensely difficult and stressful work, Sara decided to take a breather and look at more engaging therapeutic work, and left the Prison Service. She now takes on various educational roles and writes. Members were very impressed with her career and she answered many questions from the floor. She later joined us for a sociable chat and tea.

The raffle was then drawn and the meeting closed at 4.15 p.m. Our next meeting on Tuesday 10th November is the Annual General Meeting and voting for our Committee for the coming year.

Friends of Soulbury – Turn Goodwill into Action

The Soulbury Millennium Green Committee are seeking a lead person and a collection of volunteers to support the introduction of a 'Friends of Soulbury' group.

What is it: A voluntary group of residents who care for and improve a local green space. It works alongside the parish council or landowner, rather than replacing them. Different to Community Pay Back.

How it works: People contribute in different ways: gardening, organising sessions, sharing ideas, fundraising, publicity or simply making tea. No specialist knowledge is required.

Benefits for the Soulbury Millennium Green

- **A better-loved space** Regular care makes the area more attractive, welcoming and usable.
- **More connection** Working together helps neighbours meet and strengthens local pride.
- **Benefits for nature** Thoughtful planting can provide food and shelter for pollinators and wildlife.

Volunteering Benefits

- **Wellbeing** Fresh air, gentle activity and time outdoors can provide a positive break from everyday routines.
- **Friendship** Meet neighbours of different ages and build new local connections.
- **Skills** Learn about plants, wildlife, teamwork, planning and fundraising.
- **Purpose** See a visible difference and feel ownership of a shared village asset.

Improvement ideas include:

- **Tidy-up days** Litter pick, edge paths and remove weeds.
- **Plant swaps** Ask residents to donate divided perennials.
- **Wildflower patch** Start small and use suitable native seed.
- **Bulb planting** Create spring colour beneath suitable trees.
- **Herb bed** A small shared bed using donated plants – compliments current Orchard
- **Bug habitat** Use of logs, twigs, leaves and reclaimed materials – to create a wild educational trail for children
- **Simple seating** Refresh existing benches or add a donated ones/picnic area.
- **Welcome board** Share seasonal tasks, wildlife sightings and news.

Examples

Pallet Bug Hotel

Wildlife signs for trail

Bug hotel

Natural log pile

Wildflower + Hedgehog House

Bulb planting

If you would be interested in leading or supporting this initiative in any way, then please contact Scott via: scottyisa@hotmail.com or 07830 304 559.

Stapleford Bridge Charity – Supporting Soulbury Parish Residents

The Stapleford Bridge Charity, rooted in Soulbury Parish since the 18th Century, continues its tradition of helping residents. Each Christmas, the charity provides festive hampers to elderly members of the community. If you or someone you know in Soulbury Parish is struggling financially and not currently receiving a hamper, please contact Ian Parrott on 01525 270 234 or email Staplefordtrustees@gmail.com

Please let us know if you have previously received one and no longer feel you need to have one.

In response to the rising cost of living, the charity also offers financial assistance to residents of any age who are struggling. All enquiries are treated with confidentiality.

If you have ideas on how the charity can further support those in need, the trustees would love to hear from you.

Please email us at Staplefordtrustees@gmail.com

New addition to the village

Many congratulations to Soulbury village residents Ben and Aster Mason on the birth of their beautiful baby boy, Hugo George Mason. Soulbury is delighted to welcome its newest member of the village.

£610 and counting

That my dear friends is where we are with Macmillian Cancer Support. A very successful coffee morning held in September in the Parish Hall. Sales of tea, coffee and cakes, together with a raffle, a quiz and various other sales gimmicks, produced just over £600 and I know further sums are waiting on the internet. A huge thankyou to everybody who came along, baked cakes and helped on the day, you were all terrific.

Anyone wishing to donate please send email to alanstevenstup@aol.com

Soulbury Charity Cake Bake Sale Success:

On Saturday 24th October Soulbury Parish Hall hosted a charity cake bake sale in support of Scott Isaacs from the village running Chicago and New York Marathons for charity within 3 weeks of each other.

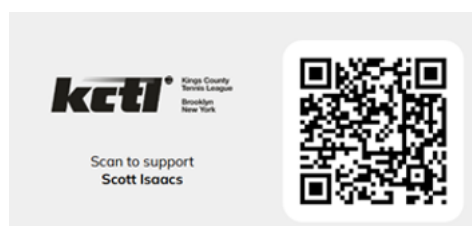

As always, bakers from across the village and Leighton & Linslade delivered. A total of 15 delicious cakes were donated to support Scott's fundraising efforts and were sold on the day raising just over £500 for his chosen charity Kings County Tennis League, a charity that provide tennis and life skills and coaching for free to disadvantaged youngsters across Brooklyn, New York.

Scott would like to extend a huge thank you to everyone that came along on the day to support this event with very special thanks going to all the amazing bakers that kindly donated an amazing array of cakes which were sold with tea and coffee to delighted locals and visitors to the village:

Heather Isaacs, Lisa Ming, Jacqueline Crack, Maria Bootmley-Ainsworth, Phil Phillips, Sheilpa Panchal, Chris & Nigel Kemal, Jackie Ridley, Theresa Eaton, Simon Knock & Kelly and Kim Stansfield

A big thank you also to Karen Martin for providing the cake labels, tea boy on the day Alan Pentecost and Victor Wright for all his help with the Sum up machines.

Scott will be running the NY Marathon on Sunday 1st November and should you wish to find out more about his chosen charity or donate to his cause, then you can do so by visiting the following link: <https://pro.gofundme.com/fundraiser/7272738> or by using the QR code below:

Parish Council News

The meeting of Soulbury Parish Council was held on Monday 19th October 2026 at 7.30pm in the Parish Hall. There were 9 members of the public (MOP) present. Apologies received from Cllrs Cross, Stevens and Jordan. Minutes of the Parish Council meeting on 21st September 2026 were agreed as correct. Matters arising: Two swing seats have been purchased to replace the damaged seats at the Children's Play area, Mount Pleasant. Cllr Wright will arrange for fitting. Post-meeting note: the new swing seats have been fitted.

Regarding alerting FixMyStreet to the drainage problem at the junction of the Gt Brickhill Road and Stoke Hammond Road, we have been advised that the water does not contain chlorine so has nothing to do with Anglian Water. Clerk will contact Highways to divert what is believed to 'spring' water off the road to prevent accidents occurring in the winter due to ice forming. Clerk received acknowledgement but no description of what is to be done.

All monies paid and received noted by all.

Planning:

226/08035: Liscombe House, Liscombe Park, Soulbury, LU7 0JN - Application of approval of details subject to conditions 3 (construction environmental management plan) and 4 (habitat management and monitoring plan) of planning approval 25/02066. Considered to be beyond the expertise of the Council

26/08023: The Boot Ph, 51 High Road, Soulbury, LU7 0BT - T2 Sycamore, fell. Objection - put on planning portal

26/07819: Land south of Leighton Road, 3 Locks, Soulbury, LU7 0DR - Request for an EIA screening Opinion under Reg 6 of Town and Planning (Environmental Impact Assessment) Regulations 2017 (as amended) to confirm whether or not there is a requirement for an EIA in relation to a proposal for residential development. Considered to be beyond the expertise of the Council. To be added to the next parish council agenda as details of this development have today been sent out to Soulbury and Stoke Hammond Parish Councils. SPC and SHPC have arranged to meet to discuss this.

26/07681: Chapel Lodge, 2a Chapel Hill, Soulbury, LU7 0BZ - Variation of condition 9 (no permitted development) of planning permission 12/02642/APP (erection of detached dwelling) to restore ordinary domestic permitted development rights for outbuildings under Class E of Part 1 of Schedule 2 to the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended), while retaining planning control over enlargement of the dwelling house. Objection - put on planning portal.

Environment

a. Fountain

No further update from the solicitor. Fence posts have been made to place around the fountain to denote its footprint. Chainlink fencing needs to be acquired.

b. Allotments

It was agreed that the annual rent for a plot should be increased to £36. It was felt unfair to split the water bill but this small increase will go some way to offset the increased costs of water supply. It was stressed that the use of sprinklers be banned. A request to erect a shed on a plot was agreed subject to size which needs to remain at 6ft x 4ft

c. Millennium Green

Fundraising for SMG - awaiting confirmation of final provider. Wine tasting evening made approx £180.

Children's play area now closed due to deterioration of the play equipment thus becoming hazardous. New equipment to be considered and may come from the funding being agreed at the moment.

Bonfire being constructed by the community payback teams.

Dog poo situation is not improving - signage has been erected.

County Councillor

Cllr Jordan's report will be added to the website.

Correspondence and parish matters:

a. Use of signage on village green - it was agreed that a subtle tasteful sign positioned against the business owner's property boundary to the village green would be allowed. No larger than 2 sq ft.

b. A MOP described the problems Hollingdon are having with traffic along the road from Stewkley Road to the junction with Bletchley Road. It was agreed to contact Highways discuss a 30mph limit for the entire length and to impose a weight restriction. At present it is a 60 mph road and artics and the like are decimating the road which it is collapsing in places.

c. The question of how much does it cost to run the SMG was asked. Cllr Kemal advised it was £1,000, but those present want to know what it comprised.

d. Work relating to defib training - Cllr Wright will take this forward.

The next Parish Council meeting will take place on Monday 16 November 2026 at 7:30pm in the Parish Hall.

Meeting dates for 2026: 21/12/26

Press Release from Buckinghamshire Council

15 October 2026

Help S.C.R.A.P Fly-tipping in Buckinghamshire

Residents are being urged to take a few simple checks before paying someone to take away their rubbish. The advice is simple following the S.C.R.A.P code can help residents protect themselves from rogue waste collectors who may dump their waste illegally. This helps residents avoid future potential fines and support keeping Buckinghamshire's streets, parks and countryside free from fly-tipping.

The S.C.R.A.P code gives confidence that their waste is being disposed of legally and responsibly:

S - Suspect all waste carriers; do not allow waste to be collected until a carrier has proven they are legitimate. If a deal seems too good to be true, it probably is. A professional waste carrier should happily answer reasonable questions.

C - Check that the waste carrier is registered on the [Environment Agency's website](#).

R - Refuse any unexpected or time-sensitive offers to remove rubbish. If something doesn't feel right or there are concerns that waste may be disposed of illegally, report it to the Environment Agency.

A - Ask where your waste is going. A legitimate carrier should be able to explain how it will be disposed of and provide evidence if asked.

P - Paperwork must be obtained: a proper invoice, waste transfer note or receipt (including a description of the waste being removed) and the waste carriers' contact details.

Taking these few simple steps before handing over rubbish, whether that be old furniture, general and garden waste or DIY materials, can help residents avoid potential fines, ensure their waste is disposed of legally and help keep Buckinghamshire clean.

Ade Osibogun, Buckinghamshire Council's Cabinet Member for Environment, Climate Change and Waste said:

"No one wants to discover that rubbish they've paid to have removed has been dumped illegally. By taking a few simple checks before handing over waste, residents can protect themselves from potential fines, help prevent fly-tipping and keep Buckinghamshire clean.

"If waste is given to an unregistered carrier, it could be dumped elsewhere, harming the environment and creating costs for local communities. By following the S.C.R.A.P. code, residents can make informed choices about who takes their waste and help stop fly-tipping before it happens.

"Together, by making the right checks before handing over our waste, we can help prevent fly-tipping and keep Buckinghamshire clean, safe and attractive, protecting the neighbourhoods, parks and countryside that matter most to our communities."

Fly-tipping harms our neighbourhoods, damages the environment and creates clean-up costs that ultimately fall on local communities. By each doing our bit, together we can S.C.R.A.P. fly-tipping. For more information visit: [How we can S.C.R.A.P. fly-tipping in Bucks | Buckinghamshire Recycles](#)
